Re: Hearing Application
Haynesville Zone, Reservoir A
Cotton Valley Formation, Reservoir A
Hosston Formation, Reservoir A
BETHANY-LONGSTREET FIELD,
Caddo and DeSoto Parishes, Louisiana
Applicant: Goodrich Petroleum Company, LLC

Dear Mr. Commissioner:

In accordance with the Rules of Procedure for Conducting Hearings Before the Commissioner of Conservation of the State of Louisiana, application is hereby made on behalf of **Goodrich Petroleum Company, LLC** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Haynesville Zone, Reservoir A, Cotton Valley Formation, Reservoir A and Hosston Formation, Reservoir A, Bethany-Longstreet Field, Caddo and DeSoto Parishes, Louisiana.

Haynesville Zone, Reservoir A

1. To create two (2) single drilling and production units of approximately 640 acres for the Haynesville Zone, Reservoir A, SUCC and SULL designated as the HA RA SUCC and HA RA SULL, Bethany-Longstreet Field, Caddo and DeSoto Parishes, Louisiana, all as shown more particularly on the attached plat;
2. To establish rules and regulations governing the exploration for and production of gas and condensate from the said units;
3. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the units so created, with each tract sharing in unit production on a surface acreage basis of participation;
4. To designate a unit operator and unit well for the units created herein;
5. That any future horizontal wells drilled to the Haynesville Zone, Reservoir A, in the units created herein, where the horizontal portion of the well is cased and cemented back above the top of the Haynesville Zone, Reservoir A, the distance to any unit boundary or other well completed in, drilling to, or for which a permit has been granted to drill, to said reservoir, will be calculated based on the distance to the nearest perforations in the well, and not based on the penetration point or terminus.
6. To consider such other matters relating to the subject reservoir as may be appropriate and justified by the evidence presented at the public hearing.

Cotton Valley Formation, Reservoir A

1. To create two (2) single drilling and production units of approximately 640 acres for the Cotton Valley Formation, Reservoir A, SU117 and SU118 designated as the CV RA SU117 and CV RA SU118, Bethany-Longstreet Field, Caddo and DeSoto Parishes, Louisiana, all as shown more particularly on the attached plat;
2. To establish rules and regulations governing the exploration for and production of gas and condensate from the said units;
3. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the units so created, with each tract sharing in unit production on a surface acreage basis of participation;
4. To designate a unit operator and unit well for the units created herein;
5. To consider such other matters relating to the subject reservoir as may be appropriate and justified by the evidence presented at the public hearing.

Commingling

1. To grant permission to applicant to combine downhole production from the:

CV RA SU117 and HOSS RA SU105
CV RA SU118 and HOSS RA SU104

in the wellbore of any existing and future wells located on said units. The interests of the working interest owners and royalty owners in the units are identical;
2. To continue in full force and effect the provisions of Series of Office of Conservation Order Nos. 289-J and Series of Office of Conservation Order Nos. 289;
3. To consider such other matters relating to the subject reservoir as may be appropriate and justified by the evidence presented at the public hearing.

The Haynesville Zone, Reservoir A, in the Bethany-Longstreet Field was fully defined in Office of Conservation Order No. 289-R-3, effective June 25, 2008.

The Cotton Valley Formation, Reservoir A, was fully defined in Office of Conservation Order No. 289-J, effective March 1, 1974, and was further defined in Order No. 289-J-1, effective April 14, 1977.

The Hosston Formation, Reservoir A, was initially defined in Office of Conservation Order No. 289, effective October 1, 1954 and was further defined in Office of Conservation Order No. 289-A-g-2, effective April 14, 1977.

In accordance with the Rules of Procedure for Conducting Hearings Before the Commissioner of Conservation of the State of Louisiana, the Commissioner of Conservation, the District Manager of the Shreveport District of the Office of Conservation and all interested owners, represented parties and interested parties known to the applicant after a reasonable search were notified in writing in the pre-application notice dated September 17, 2008 that a conference to discuss the proposed application was tentatively scheduled for 10:00 a.m. on Thursday, October 9, 2008. It was stated at that time that this conference would be held only if a request to confer were received by the undersigned within ten (10) calendar days after the date of the pre-application notice. No requests to confer were received either in writing or by telephone and, in accordance with the Rules of Procedure, the tentatively scheduled conference **WILL NOT BE HELD**.

Attached hereto and made a part hereof are plats outlining the HA RA SUCC and SULL and CV RA SU117 and SU118, Bethany-Longstreet Field, Caddo Parish, Louisiana, and a list of the names and addresses of the interested owners, represented parties and interested parties to whom this notice is being sent. It is hereby certified that a reasonable effort was made to ascertain the names and addresses of all interested owners, represented parties and interested parties.

Any pertinent data relating to the proposed unit can be obtained, AT THE COST OF THE REQUESTING PARTY, from Mr. David Comeaux of Leon E. Comeaux & Associates, P. O. Box 53922, Lafayette, LA 70508 (337) 233-9839.

Hon. James H. Welsh
September 29, 2008
