Dear Commissioner Welsh:

Application is hereby made on behalf of **EOG RESOURCES, INC.**, for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters:

1. To create one (1) additional drilling and production unit for the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A, in Trenton Field, DeSoto Parish, Louisiana, said unit designated HA RA SUL, as shown on the plat attached hereto and made a part hereof.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit with each tract sharing in unit production on a surface acreage basis of participation.
3. To provide that the spacing provisions of Office of Conservation Order No. 1199-E, effective September 16, 2008, should be amended to provide that horizontal wells drilled to the Haynesville Zone, Reservoir A, in Trenton Field, DeSoto Parish, Louisiana, where the horizontal portion of the well is cased and cemented back above the top of the Haynesville Zone, Reservoir A, the distance to any unit boundary will be calculated based on the distance to the nearest perforations in the well, and not based on the penetration point or terminus.
4. Except as otherwise provided, to extend to the proposed additional unit all pertinent provisions of Office of Conservation Order No. 1199-E, effective September 16, 2008, and applicable Statewide Orders.
5. To consider such others matters as may be pertinent.
