RE: HEARING APPLICATION
Haynesville Zone, Reservoir A
Greenwood-Waskom Field
Caddo Parish, Louisiana
Our File No. 230765.0167

Dear Sir:

On behalf of CHESAPEAKE OPERATING, INC., application is hereby made for a public hearing to receive evidence concerning the issuance of an order pertaining to the following matters relating to the Haynesville Zone, Reservoir A, in the Greenwood-Waskom Field, Caddo Parish, Louisiana:

1. To create two (2) additional drilling and production units (to be designated as HA RA SUR and HA RA SUS) for the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A, in the Greenwood-Waskom Field, Caddo Parish, Louisiana, as shown on the plats attached hereto.
2. To force pool and unitize all separately owned tracts, mineral leases, and other property interests within the proposed HA RA SUR and HA RA SUS, with allocation of production to the tracts within each of such units therefor to be on the basis of surface acreage.
3. To designate Chesapeake Operating, Inc. as the unit operator and to designate a unit well for said units, if appropriate.
4. With respect to future horizontal wells drilled to the Haynesville Zone, Reservoir A, in the proposed units and in the Greenwood-Waskom Field, where the horizontal portion of the well is cased and cemented back above the top of the Haynesville Zone, Reservoir A, the distance to any unit boundary and between wells will be calculated based on the distance to the nearest perforation in the well, and not based on the penetration point or terminus;
5. Except to the extent in conflict herewith, to extend the provisions of the Office of Conservation Order No. 270-MM, effective June 19, 1977, to the units created hereby.

6. To consider such other matters and issue such orders as may be appropriate and justified by the evidence presented at the hearing.

The Haynesville Zone, Reservoir A, in the Greenwood-Waskom Field, was fully defined in Office of Conservation Order No. 270-MM, effective June 19, 2007.

Pertinent data concerning the intended application will be made available for inspection at the offices of the undersigned. Any person wishing to inspect such data should call the undersigned at (318) 221-6858 during normal business hours or write the undersigned at the above address in order to arrange a date and time for such inspection. A copy of any such pertinent data can be obtained at the expense of the requesting party.

A list of the names and addresses of all Interested Owners, Represented Parties and Interested Parties (as defined in the Rules of Procedure) is attached hereto, and a copy of this application, with the annexed plats, is being sent to each of such persons. A reasonable effort has been made to determine that the enclosed list includes all of the persons to whom this notice must be sent under the Rules of Procedure.

By Pre-Application Notice dated October 16, 2008, applicant advised the Commissioner of Conservation, the District Manager and all Interested Owners, Represented Parties and Interested Parties of applicant's intention to apply for the hearing which is the subject of this application. Applicant received no timely request for a Pre-Application Conference, and accordingly, no conference was held.

A check in the amount of \$755.00 made payable to the Commissioner of Conservation is enclosed herewith as the statutory fee for holding the requested hearing.

This application is being filed in duplicate, and a copy hereof is being sent to Mr. James C. Broussard, Shreveport District Manager of the Office of Conservation, and to each Interested Owner, Represented Party and Interested Party whose name is shown on the attached list.

You may have received this Hearing Application even though your property is not included in the proposed units, because the Revised Rules of Procedure require us to attempt to also notify everyone owning an interest in the area "proximate to" the proposed unit.

Your receipt of this Hearing Application does not require you to take any action. It is meant to notify you of these proceedings so that you have the opportunity to participate if you so desire.

Very truly yours,

BLANCHARD, WALKER, O'QUIN & ROBERTS
