Dear Commissioner Welsh:

Application is hereby made on behalf of **PETROGULF CORPORATION** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the MA-3 Zone, Reservoir A, in the Wyandotte Field, St. Mary Parish, Louisiana:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of gas and condensate from the MA-3 Zone, Reservoir B, in the Wyandotte Field, St. Mary Parish, Louisiana, said unit to be designated MA-3 RA SUA, as shown on the plat attached hereto and made a part hereof.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit with each tract sharing in unit production on a surface acreage basis of participation.
3. To provide that any wells drilled to the MA-3 Zone, Reservoir A, within or outside the unit created herein, should be located in accordance with the provisions of LAC 43:XIX.1901 et seq. (Statewide Order No. 29-E).
4. To provide that the Commissioner of Conservation should be authorized to reclassify the MA-3 Zone, Reservoir A, in the Wyandotte Field, by supplemental order without the necessity of a public hearing if the producing characteristics of such reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.

5. To consider such others matters as may be pertinent.

The MA-3 Zone, Reservoir A, in Wyandotte Field, is hereby defined as being the stratigraphic equivalent of that gas and condensate bearing zone encountered between the depths of 13,980 feet and 14,615 feet (electrical log measurements) in the Quintana Petroleum Company – A. C. Plantation No. 3 Well, located in Section 19, Township 15 South, Range 10 East, St. Mary Parish, Louisiana.

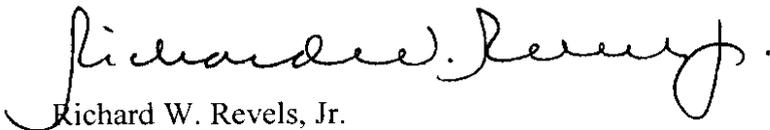

Pursuant to the Rules of Procedure, pre-application notice was given; however, no request for the conference was received. Therefore, the conference tentatively scheduled for January 15, 2008, **WILL NOT BE HELD.**
