Re: Marginulina Texana Zone, Reservoir A  
Bayou Henry Field  
Iberville Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **PETRO-HUNT, L.L.C.** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of gas and condensate from the Marginulina Texana Zone ("Marg Tex"), Reservoir A, in Bayou Henry Field, Iberville Parish, Louisiana, said unit to be designated MT RA SUA, as shown on the plat attached hereto and made a part hereof.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit, with each separate tract sharing in unit production on a surface acre basis of participation.
3. To provide that any future wells drilled to the Marg Tex Zone, Reservoir A, should be located in accordance with the provisions of LAC 43:XIX.1901 et seq. (Statewide Order No. 29-E).
4. To provide that the Commissioner of Conservation should be authorized to reclassify the Marg Tex Zone, Reservoir A, in Bayou Henry Field, by supplemental order without the necessity of a public hearing if the producing characteristics of such reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.
5. To consider such other matters as may be pertinent.

The Marginulina Texana Zone, Reservoir A, in Bayou Henry Field, is hereby defined as being the stratigraphic equivalent of that gas and condensate bearing zone, encountered between the depths of 11,540 feet and 11,782 feet (electrical log measurements) in the Cabot Corporation, et al – K.G. Wilbert, et al No. 2 Well located in Section 31, Township 8 South, Range 9 East, Iberville Parish, Louisiana.

Any pertinent data, including well logs, not available from the Office of Conservation, may be obtained **AT THE COST OF THE REQUESTING PARTY** from Leon E. Comeaux & Associates, P. O. Box Post Office Box 53922, Lafayette, Louisiana 70505, Telephone Number 337/233-9839.

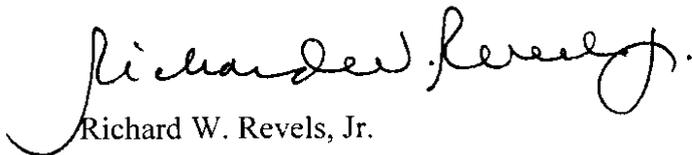

Pursuant to the Rules of Procedure, pre-application notice was given; however, no request for the conference was received. Therefore, the conference tentatively scheduled for January 11, 2008, **WILL NOT BE HELD.**

Attached hereto and made a part hereof is a plat outlining the applicant's proposal along with the list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, the plat (being the same plat attached to the pre-application notice dated December 21, 2007) and list of parties are being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the plat and/or list of parties will be furnished to any party requesting a copy. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check in the amount of \$755.00 made payable to the Office of Conservation submitted on behalf of the applicant representing the hearing application fee.

Very truly yours,

LISKOW & LEWIS
