Baton Rouge, LA 70804-4275

Re: APPLICATION FOR PUBLIC HEARING

Proposed Unit
Hosston 8460' Sand, Reservoir A
Choudrant Field
Lincoln Parish, Louisiana

Dear Sir:

Application is hereby given on behalf of **NADEL & GUSSMAN - JETTA OPERATING COMPANY**, (Applicant), to the Commissioner Conservation for a public hearing to consider evidence relative to the issuance of an Order pertaining to the following matters relating to the Lower Hosston 8460' Sand, Reservoir A, Choudrant Field, Lincoln Parish, Louisiana:

1. To create one (1) 300 +/- acre drilling and production unit for the exploration of and the production of oil and gas and/or gas and condensate for the L Hosston 8460' Sand, Reservoir A, in the Choudrant Field, Lincoln Parish, Louisiana, such units being designated L HOSS 8460' RA SUA, and shown on the attached plat and being made a part hereof.
2. To force pool and integrate all separately owned tracts, mineral leases and other property within the proposed units in accordance with Section 10, Title 30, of the Louisiana Revised Statutes of 1950, with each tract to share in the unit production on a surface acreage bases of participation.
3. To designate Nadel & Gussman – Jetta Operating Company as the operator of the proposed L HOSS 8460' RA SUA and their Ambrose E No. 1 Well as the unit well.
4. To require future wells drilled to the Lower Hosston 8460' Sand, Reservoir A, to be located at least 330 feet from unit lines and 1320 feet between wells.
5. To consider and cover such other matters as the Commissioner of Conservation may deem pertinent and appropriate.

Hon. James H. Welsh
Choudrant Field
2

The Lower Hosston 8460' Sand, Reservoir A, in the Choudrant Field, Lincoln Parish, Louisiana, is to be defined as that oil and gas and/or gas and condensate productive interval encountered between the depths of 8,468 feet to 8,492 feet (electric log measurements, corrected True Vertical Depth 8,352 feet to 8,376 feet) in the Nadel & Gussman – Jetta Operating Company – Ambrose E No. 1 Well located in Section 1, Township 18 North, Range 2 West, Lincoln Parish, Louisiana.

The pertinent data pertaining to this application is available for inspection at the Offices of Bob F. Anderson, PE, Inc., 400 Travis Street, Suite 209, Shreveport, Louisiana 71101. Any person wishing to inspect such data should call Bob Anderson 318/425-4230 during normal business hours in order to arrange a date and time for such inspection. A copy of any such pertinent data that is otherwise not available from the Office of Conservation can be obtained **at the expense of the requesting party.**

A pre-application notice was sent to all Interested Owners, Interested Parties and Represented Parties stating a time and date for a conference to discuss the proposed application, however no request for a conference was received, therefore no conference was held.

Pursuant to the revised Rules of Procedure, Applicant has made a reasonable effort to obtain the names and addresses of all Interested Owners, Interested Parties and Represented Parties to whom this notice of this intended application is being sent. A copy of this letter, plat and list of parties is being sent to the District Manager of the Shreveport District Office of Conservation and the attached letter and plat is being sent to the Interested Owners, Represented Parties and the Interested Parties as shown on the attached list.

Attached hereto is our check, made payable to the Office of Conservation, to cover the applicable hearing fee.

Yours truly,

B. F. Anderson, PE for

NADEL & GUSSMAN-JETTA OPERATING COMPANY
