Re: Hearing Application
Cockfield-Sparta Zone, Reservoir A
Upper Wilcox Zone, Reservoir A
MAMOU FIELD, Evangeline Parish, Louisiana
Applicant: Burlington Resources Oil & Gas Company LP

Dear Mr. Commissioner:

In accordance with the Rules of Procedure for Conducting Hearings Before the Commissioner of Conservation of the State of Louisiana, application is hereby made on behalf of **Burlington Resources Oil & Gas Company LP** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Cockfield-Sparta Zone, Reservoir A, and Upper Wilcox Zone, Reservoir A in the Mamou Field, Evangeline Parish, Louisiana.

Cockfield-Sparta Zone, Reservoir A

1. To create a single drilling and production unit of approximately 160 acres for the Cockfield-Sparta Zone, Reservoir A, designated as the Cf-Sp RA SUA, Mamou Field, Evangeline Parish, Louisiana, all as shown more particularly on the attached plat;
2. The Cockfield-Sparta Zone, Reservoir A in the Mamou Field, is hereby defined as being that gas and condensate bearing zone encountered between the measured depths of 9,200 feet and 10,680 feet (electrical log measurements) in the ConocoPhillips-Rougeau No. 1 Well, located in Section 5, Township South, Range 1 East, Evangeline Parish, Louisiana.

Upper Wilcox Zone, Reservoir A

1. To create a single drilling and production unit of approximately 160 acres for the Upper Wilcox Zone, Reservoir A, SUB designated as the U WX RA SUB, Mamou Field, Evangeline Parish, Louisiana, all as shown more particularly on the attached plat;
2. The Upper Wilcox Zone, Reservoir A in the Mamou Field, was previously defined in Office of Conservation Order No. 133-F, effective May 1, 2007.

For the above Zones

1. To establish rules and regulations governing the exploration for and production of gas and condensate from the said units;
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the units so created, with each tract sharing in unit production on a surface acreage basis of participation;

3. To designate a unit operator and unit well for the units created herein;
4. To grant permission to applicant to combine downhole production from the Cf-Sp RA SUA with production from the U WX RA SUB in the wellbore of any existing and future wells located on said units. The interests of the working interest owners and royalty owners in the units are identical;
5. To find that, except to the extent contrary to the order granted by the Commissioner of Conservation in connection with the hearing held on this application, the provisions of Office of Conservation Order No. 133-F shall remain in full force and effect;
6. To consider such other matters relating to the subject reservoir as may be appropriate and justified by the evidence presented at the public hearing.

In accordance with the Rules of Procedure for Conducting Hearings Before the Commissioner of Conservation of the State of Louisiana, the Commissioner of Conservation, the District Manager of the Lafayette District of the Office of Conservation and all interested owners, represented parties and interested parties known to the applicant after a reasonable search were notified in writing in the pre-application notice dated February 19, 2008 that a conference to discuss the proposed application was tentatively scheduled for 10:00 a.m. on Wednesday, March 12, 2008. It was stated at that time that this conference would be held only if a request to confer were received by the undersigned within ten (10) calendar days after the date of the pre-application notice. No requests to confer were received either in writing or by telephone and, in accordance with the Rules of Procedure, the tentatively scheduled conference **WILL NOT BE HELD**.

Attached hereto and made a part hereof are plats outlining the Cf-Sp RA SUA and U WX RA SUB, Mamou Field, Evangeline Parish, Louisiana, and a list of the names and addresses of the interested owners, represented parties and interested parties to whom this notice is being sent. It is hereby certified that a reasonable effort was made to ascertain the names and addresses of all interested owners, represented parties and interested parties.

A copy of the list of the names and addresses of the interested owners, represented parties and interested parties is not being mailed to those parties along with this application notice. Should any such party desire a copy of this list, however, we will be glad to provide one upon request.

Upon receipt of the legal notice in the captioned matter, the notice will be posted, published and mailed in accordance with Rule 7 of the Rules of Procedure.

Any pertinent data relating to the proposed units can be obtained, AT THE COST OF THE REQUESTING PARTY, from Mr. David Comeaux of Leon Comeaux & Associates, P. O. Box 53922, Lafayette, LA 70505 (337) 233-9839.

Finally, there is enclosed herewith our check on behalf of the applicant in the amount of \$1,510.00, made payable to the Office of Conservation, representing the required hearing application fee.

Very truly yours,

William F. Bailey
