Baton Rouge, LA 70804-4275

Re: Marg Tex Zone, Reservoir A  
East Gueydan Field  
Acadia and Vermilion Parishes, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **CIMAREX ENERGY COMPANY** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Marginulina Texana ("Marg Tex") Zone, Reservoir A, in the East Gueydan Field, Acadia and Vermilion Parishes, Louisiana:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of gas and condensate from the Marg Tex Zone, Reservoir A, in the East Gueydan Field, Acadia and Vermilion Parishes, Louisiana, said proposed unit designated MT RA SUA, as shown on the plat attached hereto and made a part hereof.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit with each tract sharing in unit production on a surface acreage basis of participation.
3. To provide that any wells drilled to the Marg Tex Zone, Reservoir A, within or outside of the unit created herein, should be located in accordance with the spacing provisions of LAC 43:XIX.1901 et seq. (Statewide Order No. 29-E).
4. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoir by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.
5. To consider such others matters as may be pertinent.

The Marginulina Texana Zone, Reservoir A, in the East Gueydan Field, Acadia and Vermilion Parishes, Louisiana, is hereby defined as being the stratigraphic equivalent of that gas and condensate bearing zone encountered between the depths of 16,200 feet and 17,420 feet (electrical log measurements) (16,189 feet and 17,407 feet – true vertical depths) in Petro-Hunt, L.L.C. – Hodo P. Cormier No. 1 Well (OH), located in Section 39, Township 11 South, Range 1 East, Acadia Parish, Louisiana.

Pertinent data, including well logs, may be obtained **AT THE COST OF THE REQUESTING PARTY** from James F. Hardwick & Associates, Post Office Box 80972, Lafayette, Louisiana 70598, Telephone Number 337/232-7756.

Pursuant to the Rules of Procedure, pre-application notice was given; however, no request for the conference was received. Therefore, the conference tentatively scheduled for March 26, 2008, **WILL NOT BE HELD.**

Attached hereto and made a part hereof is a plat outlining the applicant's proposal along with the list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, the plat (being the same plat attached to the pre-application notice dated March 5, 2008) and list of parties are being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the plat and/or list of parties will be furnished to any party requesting a copy. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check in the amount of \$755.00 made payable to the Office of Conservation submitted on behalf of the applicant representing the hearing application fee.

Sincerely,

LISKOW & LEWIS

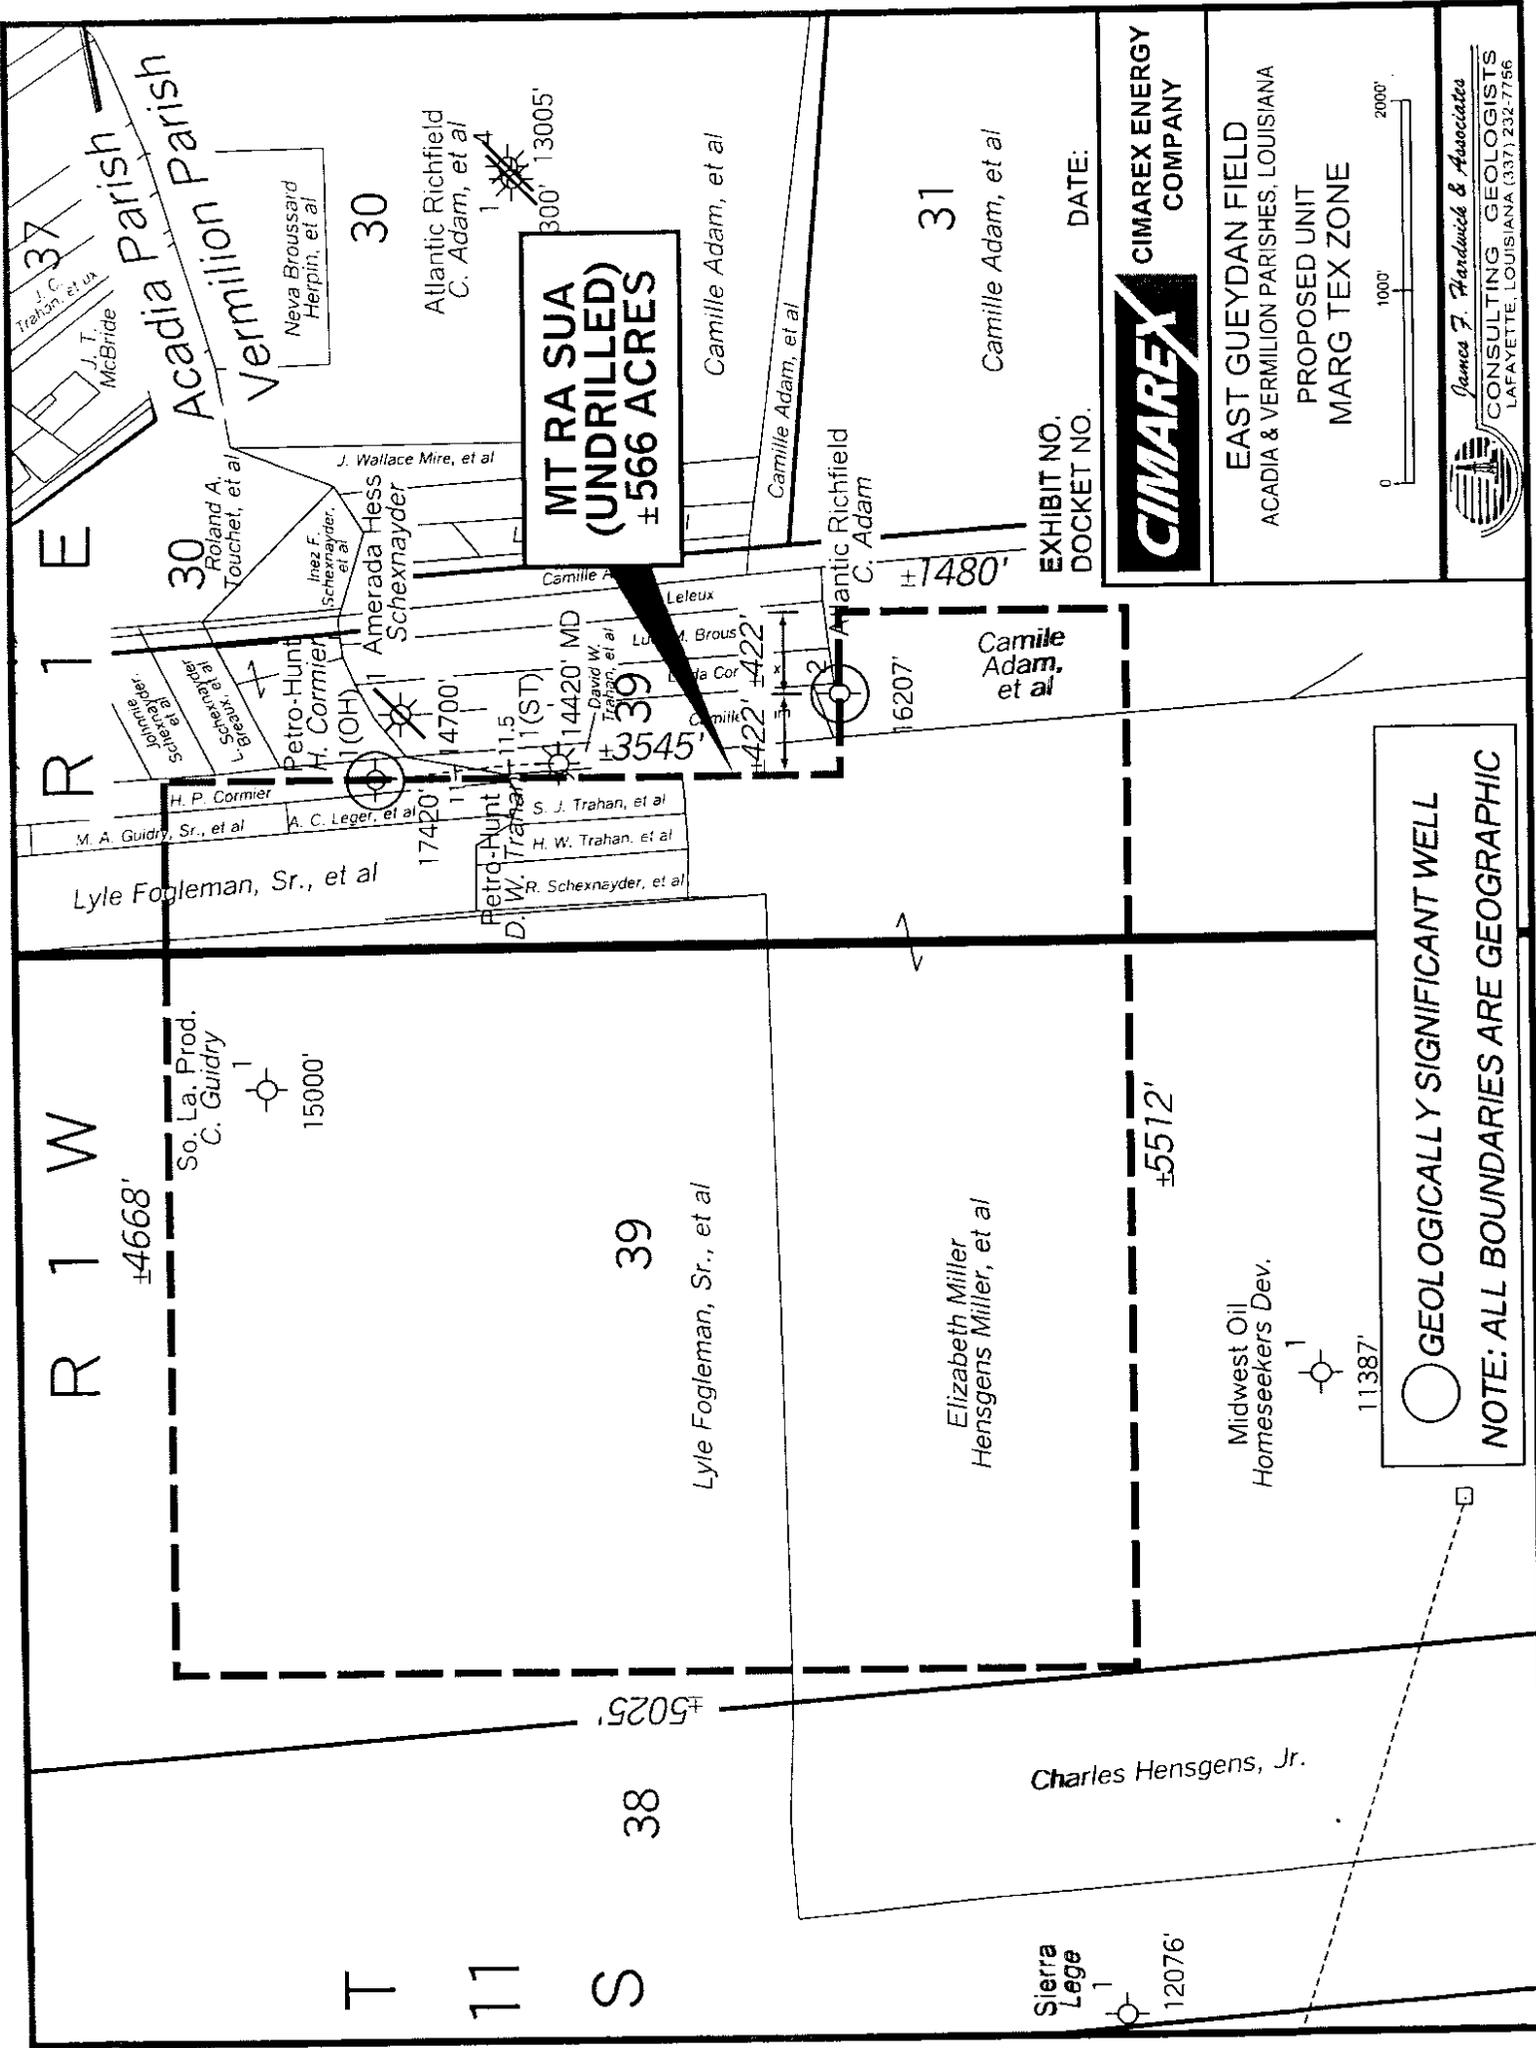

Richard W. Revels, Jr.
