RE: HEARING APPLICATION
Haynesville Zone, Reservoir A
Belle Bower Field
DeSoto Parish, Louisiana
Our File No. 230593.315

Dear Sir:

On behalf of **Comstock Oil & Gas - Louisiana, LLC**, application is hereby made for a public hearing to receive evidence concerning the issuance of an order pertaining to the following matters relating to the Haynesville Zone, Reservoir A, in the Belle Bower Field, DeSoto Parish, Louisiana

1. To create one (1) additional drilling and production unit (to be designated as HA RA SUN) for the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A, in the Belle Bower Field, DeSoto Parish, Louisiana, as shown on the plat attached hereto;
2. To force pool and unitize all separately owned tracts, mineral leases, and other property interests within the proposed unit, with allocation of production to the tracts within such unit to be on the basis of surface acreage;
3. To designate Comstock Oil & Gas - Louisiana, LLC as unit operator and to designate and to designate unit well for said unit, if appropriate.
4. To provide that, with respect to future horizontal wells drilled to the Haynesville Zone, Reservoir A, in the proposed unit, where the horizontal portion of the well is cased and cemented back above the top of the Haynesville Zone, Reservoir A, the distance to any unit boundary and between offset well(s) will be calculated based on the distance to the nearest perforation in the well, and not based on the penetration point or terminus;
5. To redefine the Haynesville Zone, Reservoir A, in the Belle Bower Field, INSOFAR ONLY AS TO HA RA SUN, as that gas and condensate bearing interval encountered between the depths of 10,180 feet and 11,532 feet (electric log measurements) in the Comstock Oil and Gas-Louisiana, L.L.C.- Weyerhaeuser LA No. 1 Well in Section 20, Township 13 North, Range 16 West, DeSoto Parish, Louisiana.
6. To consider such other matters and issue such orders as may be appropriate and justified by the evidence presented at the hearing.

The Haynesville Zone, Reservoir A, in the Belle Bower Field, DeSoto Parish, Louisiana, was initially defined in Office of Conservation Order No. 312-G , effective July 29, 2008, but shall be redefined as set forth above.

Pertinent data regarding this application will be available for inspection at the offices of Blanchard, Walker, O'Quin & Roberts, 400 Texas Street, Suite 1400, Shreveport, Louisiana 71101. Any person wishing to inspect such data should call Mr. Wm. Timothy Allen III (318)221-6858, during normal business hours, or write Mr. Allen at the above address in order to arrange a time and date for such inspection. Copies of such pertinent data can be obtained at the expense of the requesting party.

A list of the names and addresses of all Interested Owners, Represented Parties and Interested Parties (as defined in the Revised Rules of Procedure) is attached hereto. A copy of this notice, with the annexed plat, is being sent to each of such persons. A reasonable effort has been made to determine that the enclosed list includes all of the persons to whom this notice must be sent under the Revised Rules of Procedure.

By Pre-Application Notice dated July 16, 2009, applicant advised the Commissioner of Conservation, the District Manager and all Interested Owners, Represented Parties and Interested Parties of applicant's intention to apply for the hearing which is the subject of this application. Applicant received no request for a conference, and accordingly, no conference will be held.

A check in the amount of \$755.00 made payable to the Commissioner of Conservation is enclosed herewith as the statutory fee for holding the requested hearing.

This application is being filed in duplicate, and a copy hereof is being sent to Mr. James C. Broussard, Shreveport District Manager of the Office of Conservation, and to each Interested Owner, Represented Party and Interested Party whose name is shown on the attached list.

You may have received this Hearing Application even though your property may not be included in the proposed units, because the Revised Rules of Procedure require us to attempt to also notify everyone owning an interest in the area "proximate to" the proposed units.

Your receipt of this Hearing Application does not require you to take any action. It is meant to notify you of these proceedings so that you have the opportunity to participate if you so desire.

Very truly yours,

BLANCHARD, WALKER, O'QUIN & ROBERTS
