RE: HEARING APPLICATION
Haynesville Zone, Reservoir A
HA RA SUJ, HA RA SUK and HA RA SUL
Metcalf Field
Caddo Parish, Louisiana
Our File No.230765.235

Dear Sir:

On behalf of Chesapeake Operating, Inc., application is hereby made for a public hearing to receive evidence concerning the issuance of an order pertaining to the following matters relating to the Haynesville Zone, Reservoir A, in the Metcalf Field, Caddo Parish, Louisiana.

1. To create three (3) additional drilling and production units (to be designated as HA RA SUJ, HA RA SUK and HA RA SUL) for the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A, in the Metcalf Field, Caddo Parish, Louisiana, as shown on the plats attached hereto.
2. To force pool and unitize all separately owned tracts, mineral leases, and other property interests within the proposed units, with allocation of production to the tracts within such unit to be on the basis of surface acreage.
3. To redefine the Haynesville Zone, Reservoir A, in the Metcalf Field, INsofar AND ONLY INsofar as the proposed HA RA SUJ, HA RA SUK and HA RA SUL, is concerned, as that gas and condensate bearing interval between the depths of 10,173 feet and 11,619 feet (electrical log measurements) in the Chesapeake Operating, Inc. - Chiggero No. 1 Well located in Section 14, Township 16 North, Range 15 West, Caddo Parish, Louisiana.
4. To designate Chesapeake Operating, Inc. as the operator and to designate unit wells for the proposed units, if appropriate.
5. To provide that any future wells drilled to the Haynesville Zone, Reservoir A, within or outside of the units created herein, should be located no closer than 330 feet from any unit line and no closer than 660 feet between wells drilling to, completed in, or for which a permit shall have been granted to drill to the Haynesville Zone, Reservoir A.
6. With respect to future horizontal wells drilled to the Haynesville Zone, Reservoir A, in the proposed unit, where the horizontal portion of the well is cased and cemented back above the top of the Haynesville Zone, Reservoir A, the distance to any unit boundary and between offset well(s) will be calculated based on the distance to the nearest perforation in the well, and not based on the penetration point or terminus.
7. Except to the extent contrary herewith, to extend the provisions of Office of Conservation Order No. 813-B, effective November 6, 2007, as amended and supplemented by the 813-B Series of Orders, to the proposed units.

8. To consider such other matters and issue such orders as may be appropriate and justified by the evidence presented at the hearing.

The Haynesville Zone, Reservoir A, in the Metcalf Field, Caddo Parish, Louisiana was defined in Office of Conservation Order No. 813-B, effective November 6, 2007, but shall be redefined as set forth above.

Pertinent data concerning the intended application will be made available for inspection at the offices of Blanchard, Walker, O'Quin & Roberts, Chase Tower, 400 Texas Street, Shreveport, Louisiana 71163-1126. Any person wishing to inspect such data should call Wm. Timothy Allen III at (318) 221-6858 during normal business hours or write Mr. Allen at the above address, in order to arrange a date and time for such inspection. A copy of any such pertinent data can be obtained AT THE EXPENSE OF THE REQUESTING PARTY.

A list of the names and addresses of all Interested Owners, Represented Parties and Interested Parties (as defined in the Revised Rules of Procedure) is attached hereto, and a copy of this notice, with the annexed plats, is being sent to each of such persons. A reasonable effort has been made to determine that the enclosed list includes all of the persons to whom this notice must be sent under the Revised Rules of Procedure.

By Pre-Application Notice dated August 7, 2009, applicant advised the Commissioner of Conservation, the District Manager and all Interested Owners, Represented Parties and Interested Parties of applicant's intention to apply for the hearing which is the subject of this application. Applicant received no timely request for a Pre-Application Conference, and accordingly, no conference will be held.

A check in the amount of \$755.00 made payable to the Commissioner of Conservation is enclosed herewith as the statutory fee for holding the requested hearing.

This application is being filed in duplicate, and a copy hereof is being sent to Mr. James C. Broussard, Shreveport District Manager of the Office of Conservation, and to each Interested Owner, Represented Party and Interested Party whose name is shown on the attached list.

You may have received this Hearing Application even though your property may or may not be included in the proposed units, because the Revised Rules of Procedure require us to attempt to also notify everyone owning an interest in the area "proximate to" the proposed units.

Your receipt of this Hearing Application does not require you to take any action. It is meant to notify you of these proceedings so that you have the opportunity to participate if you so desire.

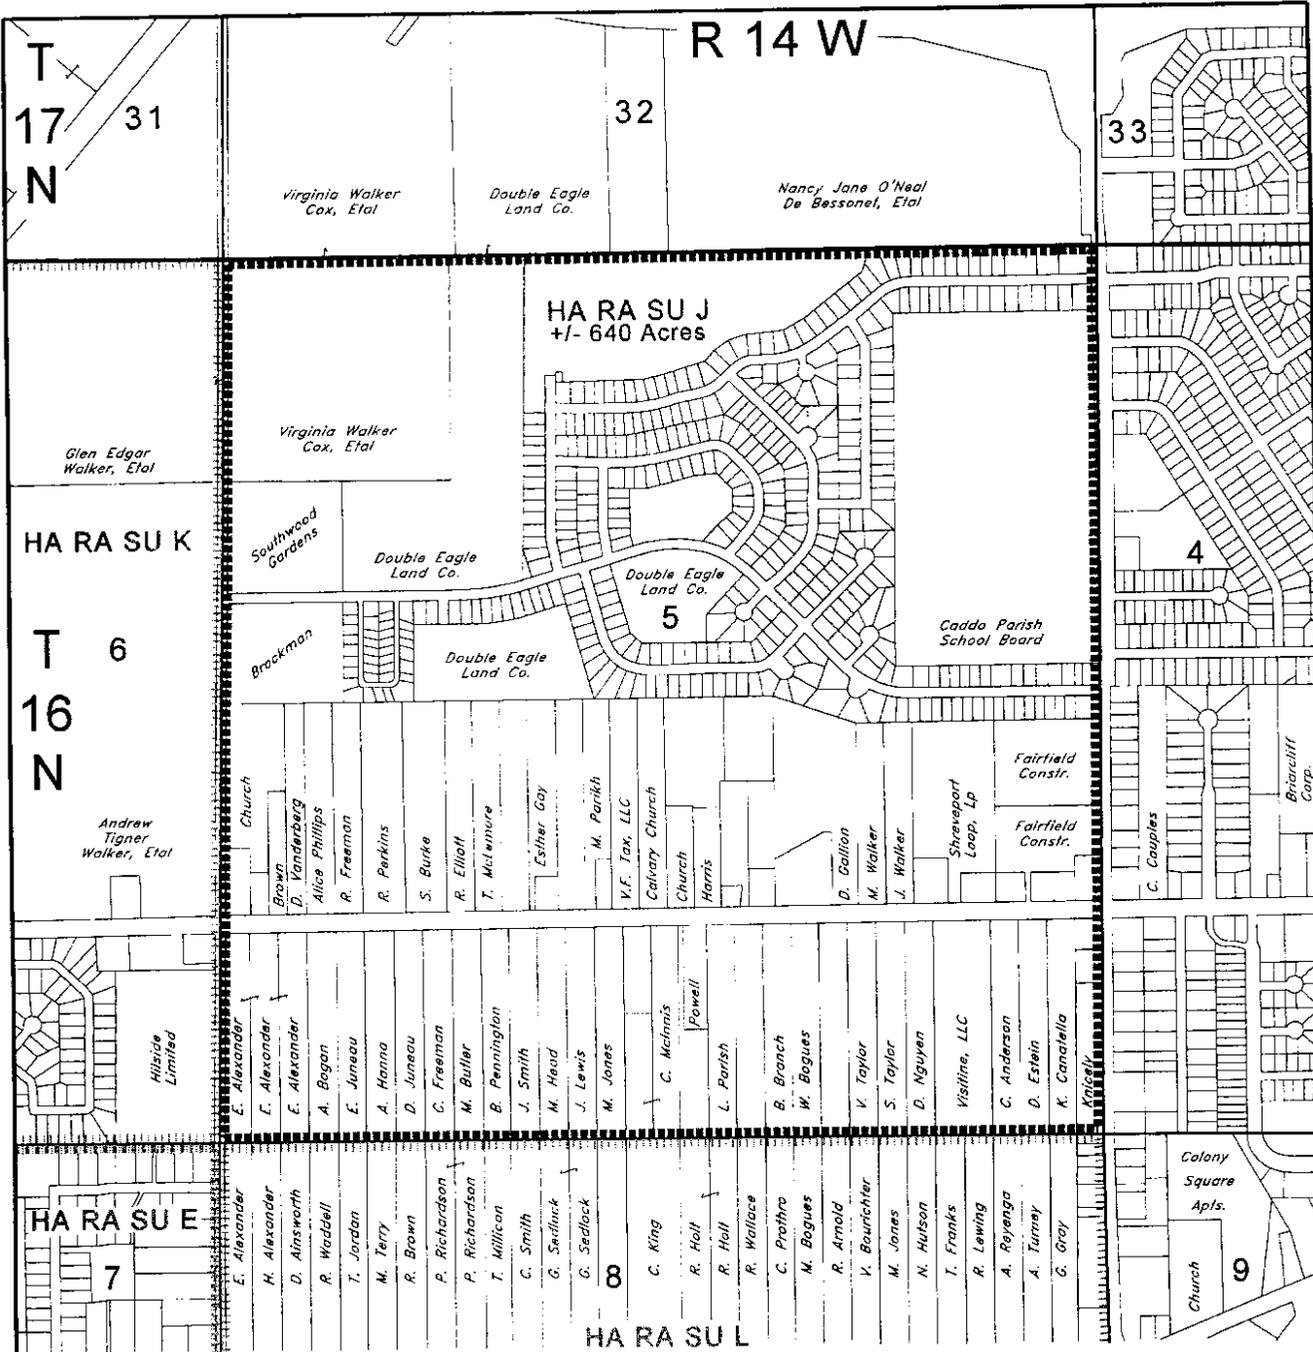

Very truly yours,

BLANCHARD, WALKER, O'QUIN & ROBERTS
