Re: Haynesville Zone, Reservoir A  
GAHAGAN FIELD  
Red River Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **ENCANA OIL & GAS (USA) INC.** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters:

1. To create two (2) additional drilling and production units for the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A, in Gahagan Field, Red River Parish, Louisiana, said units designated HA RA SUN and HA RA SUO, as shown on the plat attached hereto and made a part hereof.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed units, with each separate tract sharing in unit production on a surface acre basis of participation.
3. To extend to the proposed additional units all pertinent provisions of Office of Conservation Order No. 909-H, effective February 3, 2009, as amended and supplemented by the 909-H Series of Orders, and all applicable Statewide Orders.
4. To consider such others matters as may be pertinent.

The Haynesville Zone, Reservoir A, in the Gahagan Field, Red River Parish, Louisiana, was previously defined in Office of Conservation Order No. 909-H, effective February 3, 2009.

Any pertinent data, including well logs, not available from the Office of Conservation, may be obtained **AT THE COST OF THE REQUESTING PARTY** from Bill Dale, W. H. Robbins & Associates, L.L.C., 302 LaRue France, Lafayette, Louisiana 70508, Telephone Number (337) 232-5004.

September 1, 2009

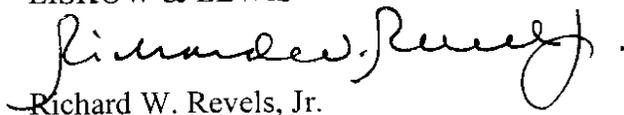

Pursuant to the Rules of Procedure, pre-application notice was given; however, no request for the conference was received. Therefore, the conference tentatively scheduled for September 18, 2009, **WILL NOT BE HELD**. One landowner representative did request that the east line of proposed HA RA SUO be moved farther east. In an effort to accommodate this request, EnCana did make a minor adjustment to this east line as shown on the attached plat. Also, please note the nomenclature of each unit has being changed to HA RA SUN and HA RA SUO, respectively. In all other respects, the proposals are unchanged from those made in the pre-application notice. Should anyone wish to consult regarding this change, the undersigned should be notified.

Attached hereto and made a part hereof is a plat depicting the proposed units along with a list of the names and addresses of the Interested Owners, Represented Parties and Interested Parties to whom a copy of this application is being sent. Pursuant to the Revised Rules of Procedure, the list of parties is being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation; however, the list of parties will be provided to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Interested Parties and Represented Parties.

Finally, enclosed is our check in the amount of \$755.00 made payable to the Office of Conservation submitted on behalf of the applicant representing the hearing application fee.

Very truly yours,

LISKOW & LEWIS
