Dear Sir:

1. To create one additional drilling and production unit for the exploration and production of gas and condensate from the Haynesville Zone, Reservoir A, in the Sligo Field, Webster Parish, Louisiana, to be designated HA RA SU60, as shown outlined on the plat attached hereto and made a part hereof;

5. To extend to the proposed unit, except to the extent inconsistent herewith, the provisions of Office of Conservation Order No. 8-N, effective September 30, 2008, as amended and supplemented by the 8-N Series of Orders, and all applicable Statewide Orders; and
