Re: Haynesville Zone, Reservoir A  
Greenwood-Waskom Field  
Caddo Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **EOG RESOURCES, INC.** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters:

1. To create four (4) additional drilling and production units for the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A, in Greenwood-Waskom Field, Caddo Parish, Louisiana, said units designated HA RA SU64 thru HA RA SU67, all as shown on the plat attached hereto and made a part hereof.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed units with each tract sharing in unit production on a surface acreage basis of participation.
3. To extend to the proposed additional units all pertinent provisions of Office of Conservation Order No. 270-MM, effective June 19, 2007, as amended and supplemented by the 270-MM Series of Orders and applicable Statewide Orders.
4. To consider such others matters as may be pertinent.

The Haynesville Zone, Reservoir A, in the Greenwood-Waskom Field, Caddo Parish, Louisiana, was defined in Office of Conservation Order No. 270-MM, effective June 19, 2007, and is hereby redefined INsofar AND ONLY INsofar as the HA RA SU64, HA RA SU65, HA RA SU66 and HA RA SU67 are concerned, in the same fashion as set forth in Office of Conservation Order No. 270-MM-2, effective September 16, 2008, as being the stratigraphic equivalent of that gas and condensate bearing zone encountered between the depths of 9,828 feet and 11,145 feet (electrical log measurements) in the Encore Operating Louisiana, LLC (formerly

October 30, 2009

Greystone Oil & Gas, LLP) – Querbes 29 No. 2 Well, located in Section 29 Township 16 North, Range 16 West, Caddo Parish, Louisiana.

Any pertinent data, including well logs, not available from the Office of Conservation, may be obtained **AT THE COST OF THE REQUESTING PARTY** from Louis Gilbert & Associates, 3636 North Causeway Blvd., Suite 204, Metairie, LA 70002, Telephone Number (504) 834-8112. Note that the applicant is suggesting that the same definition and spacing provisions adopted in Office of Conservation Order No. 270-MM-2, effective September 16, 2008, be extended to the four proposed units.

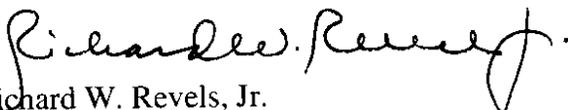

Pursuant to the Rules of Procedure, a pre-application conference was held on October 28, 2009, in Shreveport, Louisiana, at which the parties named on the attached list were in attendance. The conference was opened by representatives of the applicant who explained the bases for the applicant's proposals. Questions were asked and answered. No opposition was expressed and the conference was then adjourned.

Attached hereto and made a part hereof is a plat outlining the applicant's proposal along with a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation; however, the list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check in the amount of \$755.00 made payable to the Office of Conservation submitted on behalf of the applicant representing the hearing application fee.

Very truly yours,

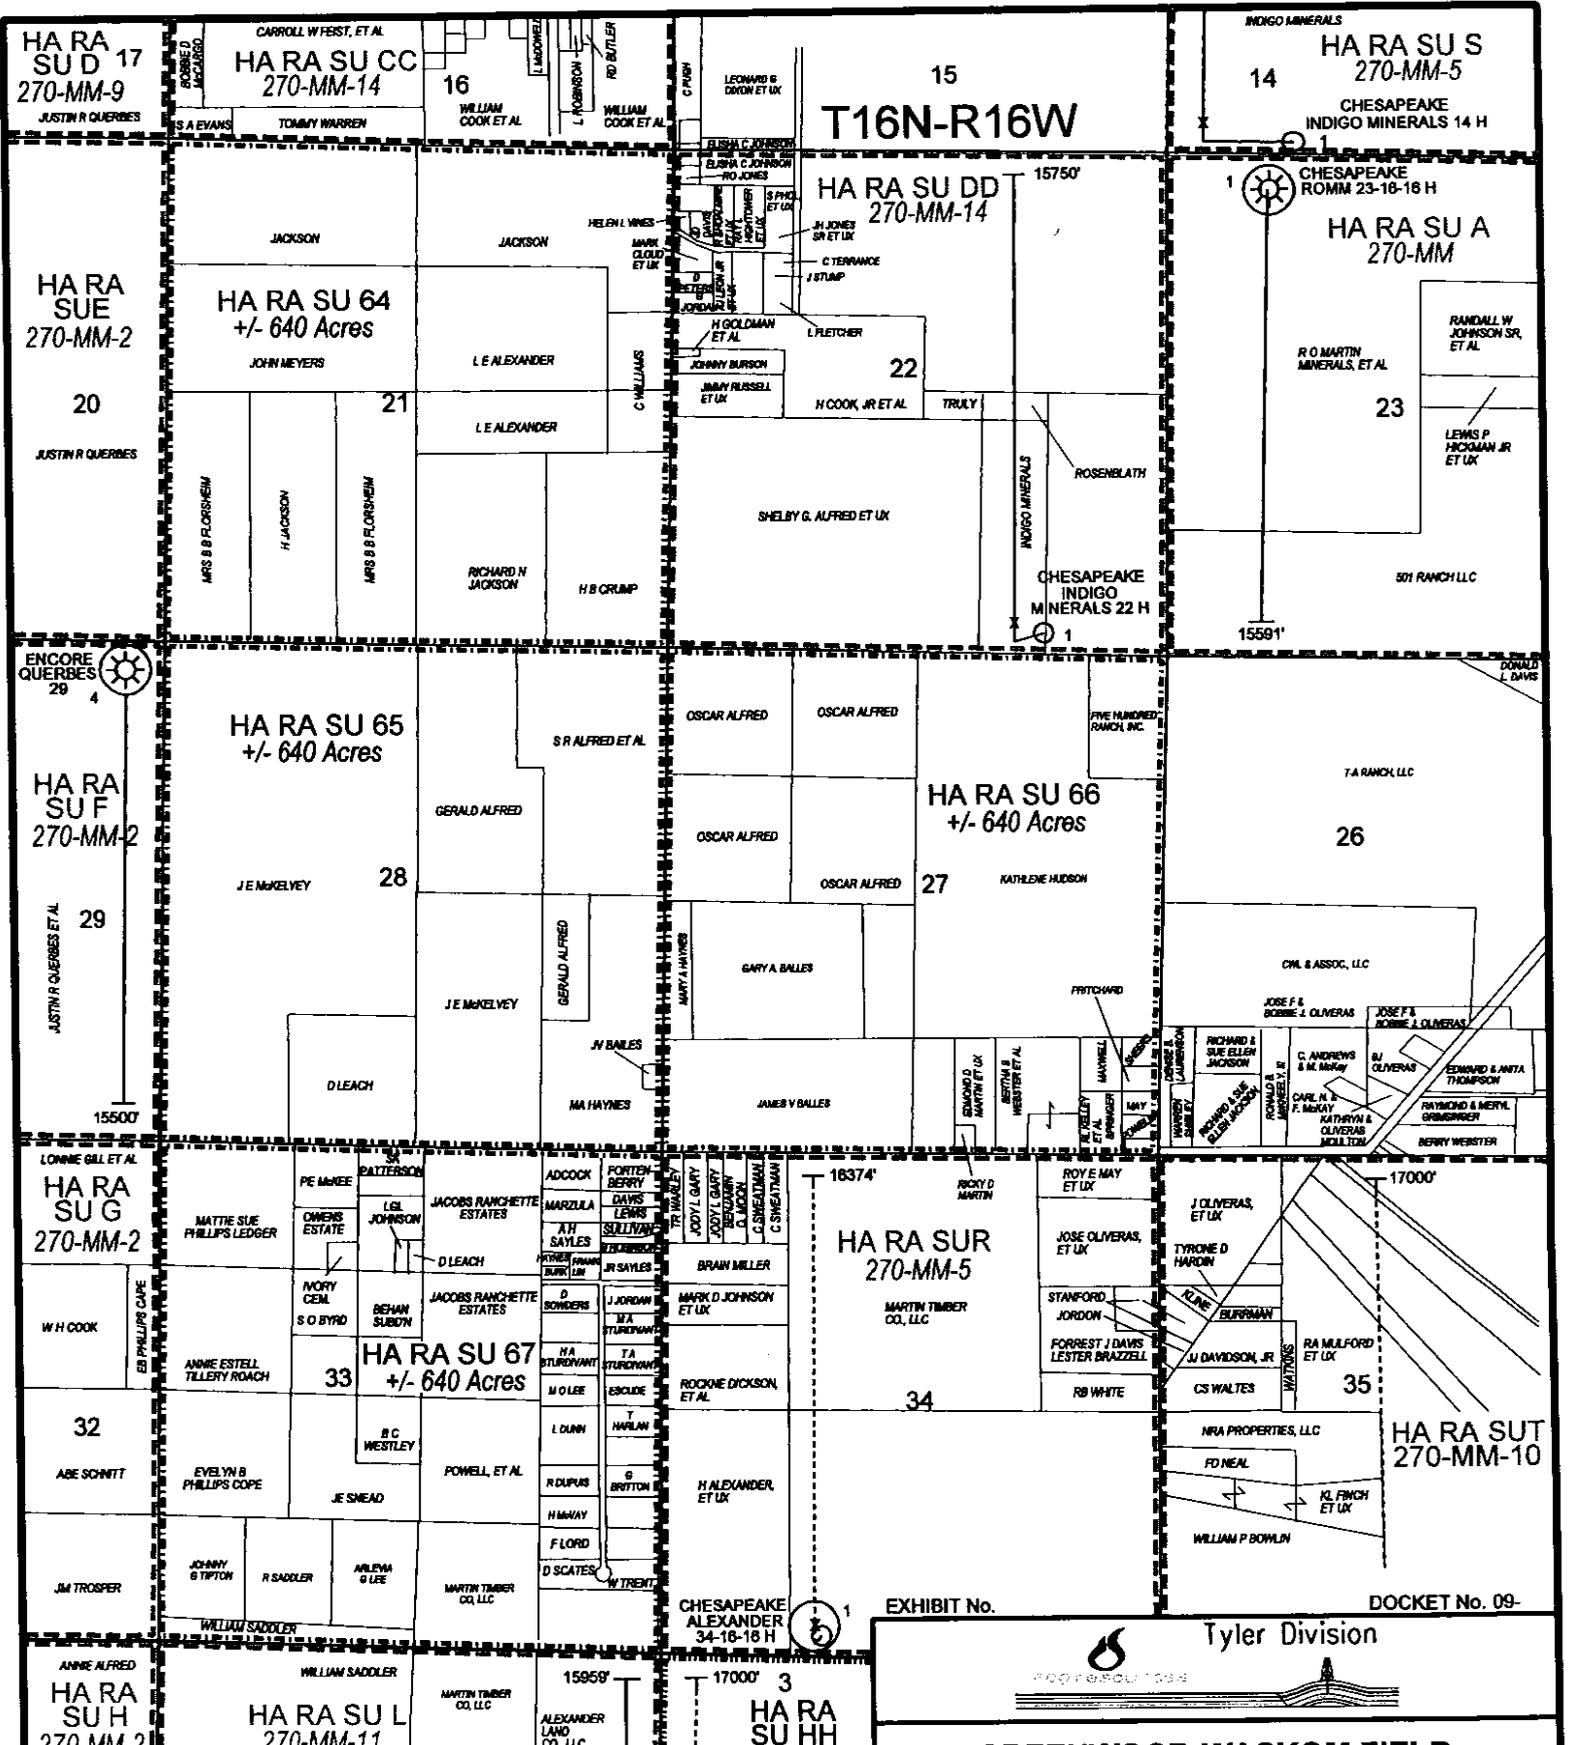

LISKOW & LEWIS
