RE: Yegua Zone, Reservoir A
Fields Field
Beauregard Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **FOREST OIL CORPORATION**, for the calling of a public hearing, after thirty (30) days legal notice, to consider evidence relative to the issuance of Orders pertaining to the following matters related to the **Yegua Zone, Reservoir A**, in the **Fields Field**, Beauregard Parish, Louisiana, to-wit:

1. To establish rules and regulations and create a single drilling and production unit for the exploration for and production of gas and condensate from the Yegua Zone, Reservoir A, such unit to be designated YEGUA RA SU A;
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit, with each tract sharing in unit production on a surface acreage basis of participation;
3. To designate a unit well for the proposed unit, if appropriate;

4. To designate Forest Oil Corporation as the operator of the proposed unit, if appropriate;
5. To provide that any future wells drilled to the Yegua Zone, Reservoir A, within or outside of the proposed unit, should be located in accordance with the spacing provisions of Statewide Order No. 29-E;
6. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoir by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation; and
7. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Yegua Zone, in the Fields Field, is hereby defined as being that gas and condensate bearing zone encountered between the depths of 7,990 feet and 8,535 feet (electrical log measurements) in the Todd Oil Corp. of La, Inc. - Boise Southern Company No. 1 Well, located in Section 28, Township 6 South, Range 12 West, Beauregard Parish, Louisiana.

The pre-application conference tentatively scheduled for November 20th, 2008, **WILL NOT BE HELD**, as it was not requested within the delays provided for by the Rules of Procedure; therefore, no opposition to this Application at the hearing is anticipated.

Pertinent data relating to the proposed application can be obtained, AT THE COST OF THE REQUESTING PARTY, by contacting David Comeaux, with Leon Comeaux & Associates, P.O. Box 53922, Lafayette, LA 70505 (337) 233-9839.

There is attached hereto and made a part hereof a plat outlining the proposed unit and a list of the names and addresses of the interested parties to whom this unitization proposal is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished **ONLY** to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. However, the list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed herein is our check in the amount of \$755.00 made payable to the Office of Conservation in payment of the required hearing application fee.
