Dear Commissioner Welsh:

Application is hereby made on behalf of **LLOG EXPLORATION COMPANY, L.L.C.** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of gas and condensate from the O Zone, Reservoir A, in the Intracoastal City Field, Vermilion Parish, Louisiana, said proposed unit designated O RA SUA, as shown on the plat attached hereto and made a part hereof.

3. To provide that any future wells drilled to the O Zone, Reservoir A, in Intracoastal City Field, within or outside of the unit created herein, should be located in accordance with the spacing provisions of LAC 43:XIX.1901 et seq. (Statewide Order No. 29-E).
4. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoir by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.
