Dear Commissioner Welsh:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of gas and condensate from the 10,000' Zone, Reservoir A, in the Rayne Field, Acadia Parish, Louisiana, said proposed unit to be designated 10000 RA SUA, as shown on the plat attached hereto and made a part hereof;
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the unit so created with each tract sharing in unit production on a surface acreage basis of participation;
3. To provide that any wells drilled to the above mentioned zone, should be located in accordance with the spacing provisions of LAC 43:XIX.1901, et seq. (Statewide Order No. 29-E);
4. To designate Terrier Oil Company as operator of the proposed 10000 RA SUA;
5. To allow the Commissioner of Conservation to reclassify the reservoir by supplemental order, without the necessity of a public hearing, should the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation; and
6. To consider such other matters as may be pertinent to the 10,000' Zone, Reservoir A.

The 10,000' Zone, Reservoir A, in the Rayne Field, Acadia Parish, Louisiana, is hereby defined as being that gas and condensate bearing zone encountered between the measured depths of 9,002 feet and 11,576 feet (electrical log measurements; 9,000 feet and 11,564 feet true vertical depths) in the Terrier Oil Company (Clayton Williams Energy, Inc.) – J. Daigle No. 1 Well, located in Section 31, Township 8 South, Range 3 East, Acadia Parish, Louisiana.

Pursuant to the Revised Rules of Procedure, pre-application notice was given; however, no request for the conference was received. Therefore, the conference tentatively scheduled for March 11, 2009, **WILL NOT BE HELD**. Since the mailing of the pre-application notice, the applicant has modified the south boundary of the proposed unit to include additional acreage and has also slightly modified the zone definition. Should anyone wish to confer about these revisions, please contact the undersigned.
