RE: Haynesville Zone, Reservoir A
Logansport Field
Desoto Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **CHESAPEAKE OPERATING, INC.**, for the calling of a public hearing, after thirty (30) days legal notice, to consider evidence relative to the issuance of Orders pertaining to the following matters related to the **Haynesville Zone, Reservoir A**, in the **Logansport Field**, Desoto Parish, Louisiana, for which rules and regulations were established and a pattern of drilling and production units was created by Office of Conservation Order No. 28-AA, effective July 29, 2008, as amended and supplemented by the 28-AA Series of Orders, to-wit:

1. To create three (3) additional drilling and production units for the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A, such units to be designated HA RA SUY, HA RA SUAA, and HA RA SUBB;
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed units, with each tract sharing in unit production on a surface acreage basis of participation;

3. To designate a unit well for each of the proposed units, if appropriate;
4. To designate Chesapeake Operating, Inc. as the operator of each of the proposed units, if appropriate;
5. To extend to the proposed units, to the extent not inconsistent herewith, all pertinent provisions of Office of Conservation Order No. 28-AA, effective July 29, 2008, as amended and supplemented by the 28-AA Series of Orders, and all applicable Statewide Orders; and
6. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Haynesville Zone, Reservoir A, in the Logansport Field, DeSoto Parish, Louisiana, was previously defined in Office of Conservation Order No. 28-AA, effective July 29, 2008.

The pre-application conference tentatively scheduled for March 13, 2009, **WILL NOT BE HELD**, as it was not requested within the delays provided for by the Rules of Procedure; therefore, no opposition to this Application at the hearing is anticipated.

Pertinent data relating to the proposed application can be obtained, **AT THE COST OF THE REQUESTING PARTY**, by contacting David Comeaux, with Leon Comeaux & Associates, 305 La Rue France, Lafayette, LA 70508 (337) 233-9839.

There is attached hereto and made a part hereof a plat outlining the proposed units and a list of the names and addresses of the interested parties to whom this unitization proposal is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished **ONLY** to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation. However, the list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed herein is our check in the amount of \$755.00 made payable to the Office of Conservation in payment of the required hearing application fee.

Very truly yours,

RANDALL C. SONGY
