Re: DB-5 Sand, Reservoir D
Patterson Field
St. Mary Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **PETROGULF CORPORATION** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of gas and condensate from the DB-5 Sand, Reservoir D, in Patterson Field, St. Mary Parish, Louisiana, said unit to be designated DB-5 RD SUA, as shown on the plat attached hereto and made a part hereof.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit, with each separate tract sharing in unit production on a surface acre basis of participation.
3. To designate Petrogulf Corporation as operator of the proposed unit.
4. To designate its Comeaux No. 3 Well as unit well for the proposed unit at the location shown on the plat attached hereto.
5. To provide that any future substitute and/or alternate unit wells drilled to the DB-5 Sand, Reservoir D, should be located in accordance with the provisions of LAC 43:XIX.1901 et seq. (Statewide Order No. 29-E).
6. To provide that the Commissioner of Conservation should be authorized to reclassify the DB-5 Sand, Reservoir D, in Patterson Field, by supplemental order without the necessity of a public hearing if the producing characteristics of such reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.

February 27, 2009

7. To consider such other matters as may be pertinent.

The DB-5 Sand, Reservoir D, in Patterson Field, is hereby defined as being that gas and condensate bearing sand encountered between the depths of 16,292 feet and 16,412 feet (electrical log measurements) (16,264 feet and 16,380 feet – true vertical depths) in the Petrogulf Corporation – Paul J. Comeaux No. 3 Well located in Section 57, Township 15 South, Range 11 East, St. Mary Parish, Louisiana.

Any pertinent data, including well logs not available from the Office of Conservation, may be obtained AT THE COST OF THE REQUESTING PARTY from Frank W. Harrison, Jr., P. O. Box 51943, Lafayette, LA 70505, Telephone No. (337)232-4031.

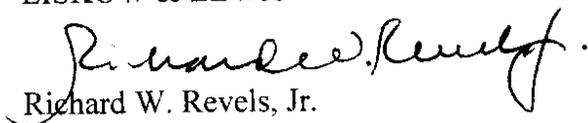

Pursuant to the Rules of Procedure, pre-application notice was given; however, no request for the conference was received. Therefore, the conference tentatively scheduled for Thursday, March 5, 2009, **WILL NOT BE HELD.**

Attached hereto and made a part hereof is a plat outlining the applicant's proposal along with the list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Note that the unit proposal has been slightly changed since the pre-application notice was mailed as reflected on the attached plat. Pursuant to the Revised Rules of Procedure, the list of parties is being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the list of parties will be furnished to any party requesting a copy. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check in the amount of \$755.00 made payable to the Office of Conservation submitted on behalf of the applicant representing the hearing application fee.

Very truly yours,

LISKOW & LEWIS

Richard W. Revels, Jr.
