Re: Haynesville Zone, Reservoir A
Caspiana Field
DeSoto Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **CHESAPEAKE OPERATING, INC.** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of orders pertaining to the following matters relating to the **Haynesville Zone, Reservoir A**, in the **Caspiana Field**, DeSoto Parish, Louisiana, for which rules and regulations were established and a pattern of drilling and production units was created by Office of Conservation Order No. 191-H, effective August 28, 2007, as amended and supplemented by the 191-H Series of Orders, to-wit:

1. To create two (2) additional drilling and production units for the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A, such units to be designated HA RA SU 65 and HA RA SU66;
2. To redefine the Haynesville Zone, Reservoir A, in the Caspiana Field, INsofar AND ONLY INsofar as the proposed units referenced herein are concerned, in accordance with the DEFINITION section hereof;

3. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed units, with each tract sharing in unit production on a surface acreage basis of participation;
4. To designate a unit well for each of the proposed units, if appropriate;
5. To designate Chesapeake Operating, Inc. as the operator of the proposed units;
6. To extend to the proposed units the spacing provisions of Office of Conservation Order No. 191-H-14, effective August 26, 2008;
7. Alternatively, in the event the Commissioner determines that the spacing provisions of Office of Conservation Order No. 191-H-14, effective August 26, 2008, should not extend to the proposed units as requested herein, then and in that event to approve unit wells for the proposed units which are closer than 2,000 feet from each other, in exception to the spacing provisions of Office of Conservation 191-H, effective August 28, 2007, if appropriate;
8. To extend to the proposed units, to the extent not inconsistent herewith, all pertinent provisions of Office of Conservation Order No. 191-H, effective August 28, 2007, as amended and supplemented by the 191-H Series of Orders; and
9. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

DEFINITION - The Haynesville Zone, in the Caspiana Field, was previously defined in Office of Conservation Order No. 191-H, effective August 28, 2007, and is hereby redefined, INsofar AND ONLY INsofar as the proposed units referenced herein are concerned, as being that gas and condensate bearing zone encountered between the depths of 10,055 feet and 11,487 feet, electrical log measurements, in the Chesapeake Operating, Inc. - SRLT 29 No. 1 Well, located in Section 29, Township 16 North, Range 15 West, Caddo Parish, Louisiana.

Pursuant to Rule 8 of the Rules of Procedure, the Commissioner of Conservation has waived the pre-application notice requirement. **A conference to discuss the proposed application is hereby scheduled for Monday, December 8th, 2008, at 9:00 a.m. at the Petroleum Club of Shreveport, 416 Travis St # 1500, Energy Room C, Shreveport, LA 71101, (318) 425-4251.**
