CORRECTED APPLICATION

Honorable James H. Welsh
Commissioner of Conservation
P. O. Box 94375
Baton Rouge, Louisiana 70804-9275

Re: APPLICATION FOR PUBLIC HEARING

Proposed Additional Haynesville Zone, Reservoir A Unit,
Proposed Cotton Valley Formation, Reservoir A Unit &
Proposed Hosston Formation, Reservoir A Unit
Caspiana Field
DeSoto Parish, Louisiana

Application is hereby made on behalf of **EXCO PRODUCTION COMPANY, L.P.**, (Applicant), to the Commissioner of Conservation for a public hearing to consider evidence relative to the issuance of an Order pertaining to the following matters relating to the Haynesville Zone, Reservoir A, the Cotton Valley Formation, Reservoir A, and the Hosston Formation, Reservoir A, Caspiana Field, DeSoto Parish, Louisiana:

1. To create one (1) additional drilling and production unit for the production of gas and condensate from the Haynesville Zone, Reservoir A, the Cotton Valley Formation, Reservoir A and the Hosston Formation, Reservoir A, in the Caspiana Field, DeSoto Parish, Louisiana, such units shown on the attached plat and made a part hereof.
2. To define the Haynesville Zone, Reservoir A, **INSOFAR AND ONLY INSOFAR**, as to the proposed Haynesville Zone, Reservoir A Unit is concerned, as that gas and condensate producing interval encountered from 10,217 feet and 12,055 feet (electric log measurements) in the EXCO Production Company, LP - Lee 19 No. 1 Well, located in Section 19, Township 14 North, Range 12 West, DeSoto Parish, Louisiana.
3. To force pool and integrate all separately owned tracts, mineral leases and other properties within each of the proposed units in accordance with Section 10, Title 30, of the Louisiana Revised Statutes of 1950, with each tract to share in the unit production on a surface acreage basis of participation.
4. To designate a unit operator and unit well, at an exceptional location, for the Haynesville Zone, Reservoir A, the Cotton Valley Formation, Reservoir A and the Hosston Formation, Reservoir A, in the units being proposed herein.
5. To permit the unit operator to downhole combine the production from Cotton Valley Formation, Reservoir A and the Hosston Formation, Reservoir A, in any well current and/or future well bore within the CV RA SU135 and HOSS RA SU136.

Hon. James H. Welsh
Caspiana Field
2

6. To extend the provisions of the 191-H Series of Office of Conservation Orders and other pertinent Statewide Orders to the proposed unit for the Haynesville Zone, Reservoir A; the 191-B Series of Office of Conservation Orders to the proposed Cotton Valley Formation, Reservoir A, unit; and the 191-C Series of Office of Conservation Orders to the proposed Hosston Formation, Reservoir A; and other applicable Statewide Orders to the units being proposed herein, except as they may be in conflict herewith.

The Haynesville Zone, Reservoir A, in the Caspiana Field, Caddo and Desoto Parishes, Louisiana was originally defined in Office of Conservation Order No. 191-H, effective August 28, 2007, and is being proposed to be redefined for and only insofar as the proposed Haynesville Zone, Reservoir A Unit being proposed herein. The Cotton Valley Formation, Reservoir A, was defined in the 191-A Series of Office of Conservation Orders and the Hosston Formation, Reservoir A, was defined in the 191-B, Series of Office of Conservation Orders in the Caspiana Field, Caddo, DeSoto and Red River Parishes, Louisiana.

The pertinent data pertaining to this Application is available for inspection at the offices of Bob F. Anderson, PE, Inc., 400 Travis Street, Suite 209, Shreveport, Louisiana 71101. Any person wishing to inspect such data should call Bob Anderson at 318/425-4230 during normal business hours in order to arrange a date and time for such inspection. A copy of any such pertinent data that is otherwise not available from the Office of Conservation can be obtained **at the expense of the requesting party.**

No request for a conference to discuss the proposed Application was received, therefore no conference will be held.

Pursuant to the revised Rules of Procedure, Applicant has made a reasonable effort to obtain the names and addresses of all Interested Owners, Interested Parties and Represented Parties to whom this Application is being sent. A copy of this letter and plat is being sent to the Interested Owners, Represented Parties and the Interested Parties as shown on the attached list. A copy of this letter, plat and list of parties is being sent to the Commissioner of Conservation and to the District Manager of the Shreveport District Office of Conservation.

Attached hereto is our check, made payable to the Office of Conservation, to cover the applicable hearing fee.

Yours truly,

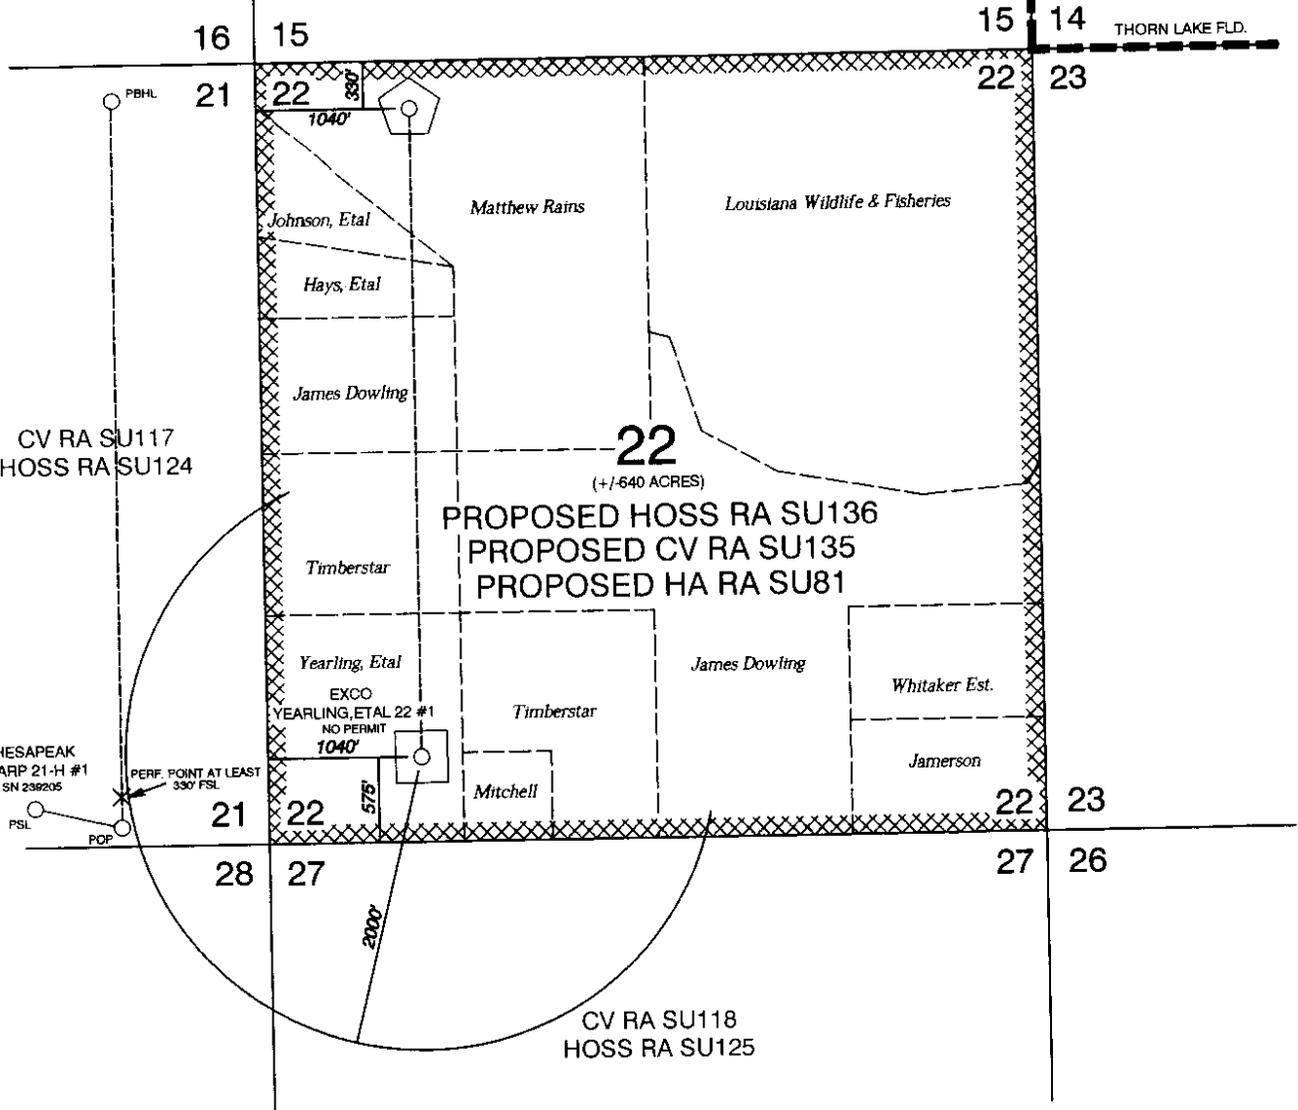

B. F. Anderson, PE, Consultant for
EXCO PRODUCTION COMPANY, L.P.
