Re: Haynesville Zone,
Reservoir A
Converse Field
Sabine Parish, Louisiana

APPLICATION FOR PUBLIC HEARING

Dear Sir:

Petrohawk Operating Company hereby makes application pursuant to the revised rules of procedure for a public hearing to consider evidence relating to the following matters pertaining to the Haynesville Zone, Reservoir A, in the Converse Field, Sabine Parish, Louisiana:

1. To establish rules and regulations and create four drilling and production units for the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A, in the Converse Field, Sabine Parish, Louisiana, Louisiana, to be designated HA RA SUDD, HA RA SUEE, HA RA SUFF, and HA RA SUGG, as shown outlined on the plat attached hereto and made a part hereof;
2. To force pool and integrate all of the separately owned tracts, mineral leases and other property interests located within the proposed units in accordance with Section 10, Title 30, of the Louisiana Revised Statutes of 1950, with each tract sharing in unit production on a surface acreage basis of participation;
3. To designate unit wells and unit operators, as appropriate;
4. To provide that wells drilled to the Haynesville Zone, Reservoir A, in the Converse Field be located no closer than 330 feet to any unit line and that there be not less that 660 feet between wells drilling to, completed in, or for which a permit has been issued to the Haynesville Zone, Reservoir A;
5. To provide that with respect to horizontal wells drilled to the Haynesville Zone, Reservoir A, in or to serve the proposed units, where the horizontal lateral portion of the well is cased and cemented back above the top of the Haynesville Zone, Reservoir A, the distance to any unit boundary will be calculated based on the distance to the nearest perforation in the well, and not based on the penetration point or terminus;

6. To consider and cover such other matters as the Commissioner of Conservation may deem appropriate and necessary under the circumstances.

The Haynesville Zone, Reservoir A, in the Converse Field, DeSoto and Sabine Parishes, Louisiana, Louisiana, is to be defined as being the stratigraphic equivalent of that gas and condensate bearing interval encountered between the depths of 11,310 feet and 12,758 feet (electric log measurements) in the Placid Oil Company - Cates No. 1 Well located in Section 25, Township 9 North, Range 13 West, Sabine Parish, Louisiana.

Any pertinent data relating to this matter can be obtained at the cost of the requesting party, from Mr. Craig Barclay, 522 Dumbarton Drive, Shreveport, Louisiana 71106, at telephone number (318) 869-2223.

A Pre-Application Notice letter dated March 27, 2009, was circulated in connection with this matter. There was no request received for a conference; accordingly, no conference will be held.

The list of parties attached to the copies of this application being sent to the Office of Conservation includes the names of all Interested Owners, Represented Parties and Interested Parties known to Applicant after a diligent search. A copy of this application, with plat attached, is being sent to each such party. Pursuant to Office of Conservation regulations, the list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation; however, the list of parties will be provided to any person requesting a copy of it. Enclosed with the copy of this application being sent to the Commissioner is a check for the application fee.

Yours very truly,

COOK, YANCEY, KING & GALLOWAY

J. William Fleming
