Honorable James H. Welsh  
Commissioner of Conservation  
P O Box 94275  
Baton Rouge, LA 70804-9275

**Re: APPLICATION FOR PUBLIC HEARING**  
**Proposed Additional Lower Pettet Formation, Reservoir C Units**  
**Athens Field**  
**Claiborne Parish, Louisiana**

Application is hereby made on behalf of **PAR MINERALS CORPORATION**, (Applicant) to the Commissioner of Conservation for a public hearing to consider evidence relative to the issuance of an Order pertaining to the following matters relating to the Lower Pettet Formation, Reservoir C, in the Athens Field, Claiborne Parish, Louisiana:

1. To create two (2) additional 160 +/- acre drilling and production units for the exploration of and the production of oil, gas and condensate for the Lower Pettet Formation, Reservoir A, in the Athens Field, Claiborne Parish, Louisiana, such units being designated L PET RC SUB and L PET RC SUC, such units shown on the attached plat and being made a part hereof.
2. To force pool and integrate all separately owned tracts, mineral leases and other property within the proposed units in accordance with Section 10, Title 30, of the Louisiana Revised Statutes of 1950, with each tract to share in the unit production on a surface acreage basis of participation.
3. To designate Par Minerals Corporation as the unit operator of the proposed L PET RC SUC and the Par Minerals Corporation – Pixley No.1 Well as the unit well at the location shown on the attached plat.
4. To extend the provisions of Office of Conservation Order No. 48-L-4, effective March 20, 1991, and other applicable Statewide Orders to the proposed additional unit, except as they may be in conflict herewith.
5. To consider and cover such other matters as the Commissioner of Conservation may deem pertinent and appropriate.

Hon. James H. Welsh  
Athens Field  
2

The Lower Pettet Formation, Reservoir C, was defined in Office of Conservation Order No. 48-L, effective May 13, 1980.

The pertinent data pertaining to this Application is available for inspection at the offices of Bob F. Anderson, PE, Inc., 400 Travis Street, Suite 209, Shreveport, Louisiana 71101. Any person wishing to inspect such data should call Bob Anderson 318/425-4230 during normal business hours in order to arrange a date and time for such inspection. A copy of any such pertinent data that is otherwise not available from the Office of Conservation can be obtained **at the expense of the requesting party**.

A Pre-Application Notice was sent to all parties stating a time and date for a conference to discuss the proposed Application. However, no request for a conference was received, therefore no conference was held.

Pursuant to the revised Rules of Procedure, Applicant has made a reasonable effort to obtain the names and addresses of all Interested Owners, Interested Parties and Represented Parties to whom this Application is being sent. A copy of this letter, plat and list of parties is being sent to the District Manager of the Shreveport District Office of Conservation and the attached letter and plat is being sent to the Interested Owners, Represented Parties and the Interested Parties as shown on the attached list.

Attached hereto is our check, MADE PAYABLE TO THE OFFICE OF CONSERVATION, to cover the applicable hearing fee.

Yours truly,

B. F. Anderson, PE, Consultant for  
**PAR MINERALS CORPORATION**
