APPLICATION

7097-69204

Honorable James H. Welsh
Commissioner of Conservation
Louisiana Office of Conservation
P.O. Box 94275
Baton Rouge, LA 70804-4275

Re: Haynesville Zone, Reservoir A
Bethany-Longstreet Field
Caddo and DeSoto Parishes, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **CHESAPEAKE OPERATING, INC.**, for the calling of a public hearing, after thirty (30) days legal notice, to consider evidence relative to the issuance of Orders pertaining to the following matters related to the **Haynesville Zone, Reservoir A**, in the **Bethany-Longstreet Field**, Caddo and DeSoto Parishes, Louisiana, for which rules and regulations were established and a pattern of drilling and production units was created by Office of Conservation Order No. 289-R, effective April 1, 2008, as amended and supplemented by certain Orders of the 289-R Series of Orders, to-wit:

1. To create four (4) additional drilling and production units for the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A, such units to be designated HA RA SU53, HA RA SU54, HA RA SU58, and HA RA SU63;
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed units, with

each tract sharing in unit production on a surface acreage basis of participation;

3. To designate Chesapeake Operating, Inc. as the operator of, and a unit well for each of the proposed units, if appropriate;
4. That with respect to horizontal wells drilled to the Haynesville Zone, Reservoir A, in the proposed units, where the horizontal portion of the well is cased and cemented back above the top of the Haynesville Zone, Reservoir A, the distance to any unit boundary and any offset wells(s) should be calculated based on the distance to the nearest perforation in the well, and not based on the penetration point or terminus;
5. To extend to the proposed units, to the extent not inconsistent herewith, all pertinent provisions of Office of Conservation Order No. 298-R, effective April 1, 2008, as amended and supplemented by certain Orders of the 289-R Series of Orders, and all applicable Statewide Orders; and
6. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Haynesville Zone, Reservoir A, in the Bethany-Longstreet Field, Caddo and DeSoto Parishes, Louisiana, was previously defined in Office of Conservation Order No. 289-R, effective April 1, 2008, and was redefined in Office of Conservation Order No. 289-R-3, effective June 25, 2008.

The pre-application conference tentatively scheduled for May 21, 2009, **WILL NOT BE HELD**, as it was not requested within the delays provided for by the Rules of Procedure; therefore, no opposition to this Application at the hearing is anticipated.

Pertinent data relating to the proposed application can be obtained, **AT THE COST OF THE REQUESTING PARTY**, by contacting David Comeaux, with Leon Comeaux & Associates, 305 La Rue France, Lafayette, LA 70508 (337) 233-9839.

There is attached hereto and made a part hereof (2) plats outlining the proposed units and a list of the names and addresses of the interested parties to whom this unitization proposal is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished **ONLY** to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation. However, the list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.
