Honorable James H. Welsh  
Commissioner of Conservation  
P. O. Box 94275, Capitol Station  
Baton Rouge, Louisiana 70804-9275

RE: Pre-application Notice  
Motty Zone, Reservoir E  
Abbeville Field  
Vermilion Parish, Louisiana

Dear Sir:

Notice is hereby given that Northcoast Oil Company plans to apply to the Commissioner of Conservation for the calling of a public hearing after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Motty Zone, Reservoir E in the Abbeville Field, Vermilion Parish, Louisiana, to wit:

1. To establish rules and regulations governing the exploration for and production of oil and gas from the Motty Zone, Reservoir E, in the Abbeville Field, Vermilion Parish, Louisiana.
2. To create a single drilling and production unit for the zone and to force pool and integrate all separately owned tracts, mineral leases and other property interests within the unit so created on a surface acreage basis of participation.
3. To designate a unit operator for the unit so created.
4. To provide that any future replacement and/or alternate unit wells for the unit so created be exempt from the well location provisions of Statewide Order No. 29-E.
5. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoir by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.
6. To consider any other matters that may be pertinent to this application.

The Motty Zone, Reservoir E, in the Abbeville Field is hereby defined as that oil and gas bearing zone encountered between the depths of 6,440' and 7,000' (electrical log measurements) in the The Superior Oil Co. – Corine Breaux No. 1 Well, located in Section 19, Township 12 South, Range 3 East, in the Abbeville Field, Vermilion Parish, Louisiana, and is hereby further defined as that oil and gas bearing section encountered between the depths of 6,290' and 6,860' (electrical log measurements) in the Continental Oil Company – Motty No. 1 Well, located in Section 65, Township 12 South, Range 3 East, in the Abbeville Field, Vermilion Parish, Louisiana.

All pertinent data relating to the subject application for the above sand can be purchased AT THE COST OF THE REQUESTING PARTY from the author of this letter.

A conference to discuss the proposed application and any opposition thereto is hereby **tentatively** scheduled for 10:00 a.m. on June 4th, 2009, at the Days Hotel, 3400 South I-10 Service Road, Metairie, Louisiana. It should be noted that this conference will not be held unless an Interested Party, Interested Owner or Represented Party receiving a copy of this pre-application notice gives notice of a desire to confer within ten (10) calendar days after the date hereof, to the writer of this notice by telephone or letter.

There is no requirement for persons receiving this notice to attend or be represented at this conference, but this is merely an invitation to all known Interested Parties to attend the conference should they so desire.

A plat outlining the proposed unit is attached hereto and made a part hereof. A list of the names and addresses of the Interested Parties, Interested Owners and Represented Parties who are being furnished a copy of this application will be made available upon request. A reasonable effort was made to ascertain the names and addresses of all Interested Parties, Interested Owners and Represented Parties as required by the Rules of Procedure.

Very truly yours,

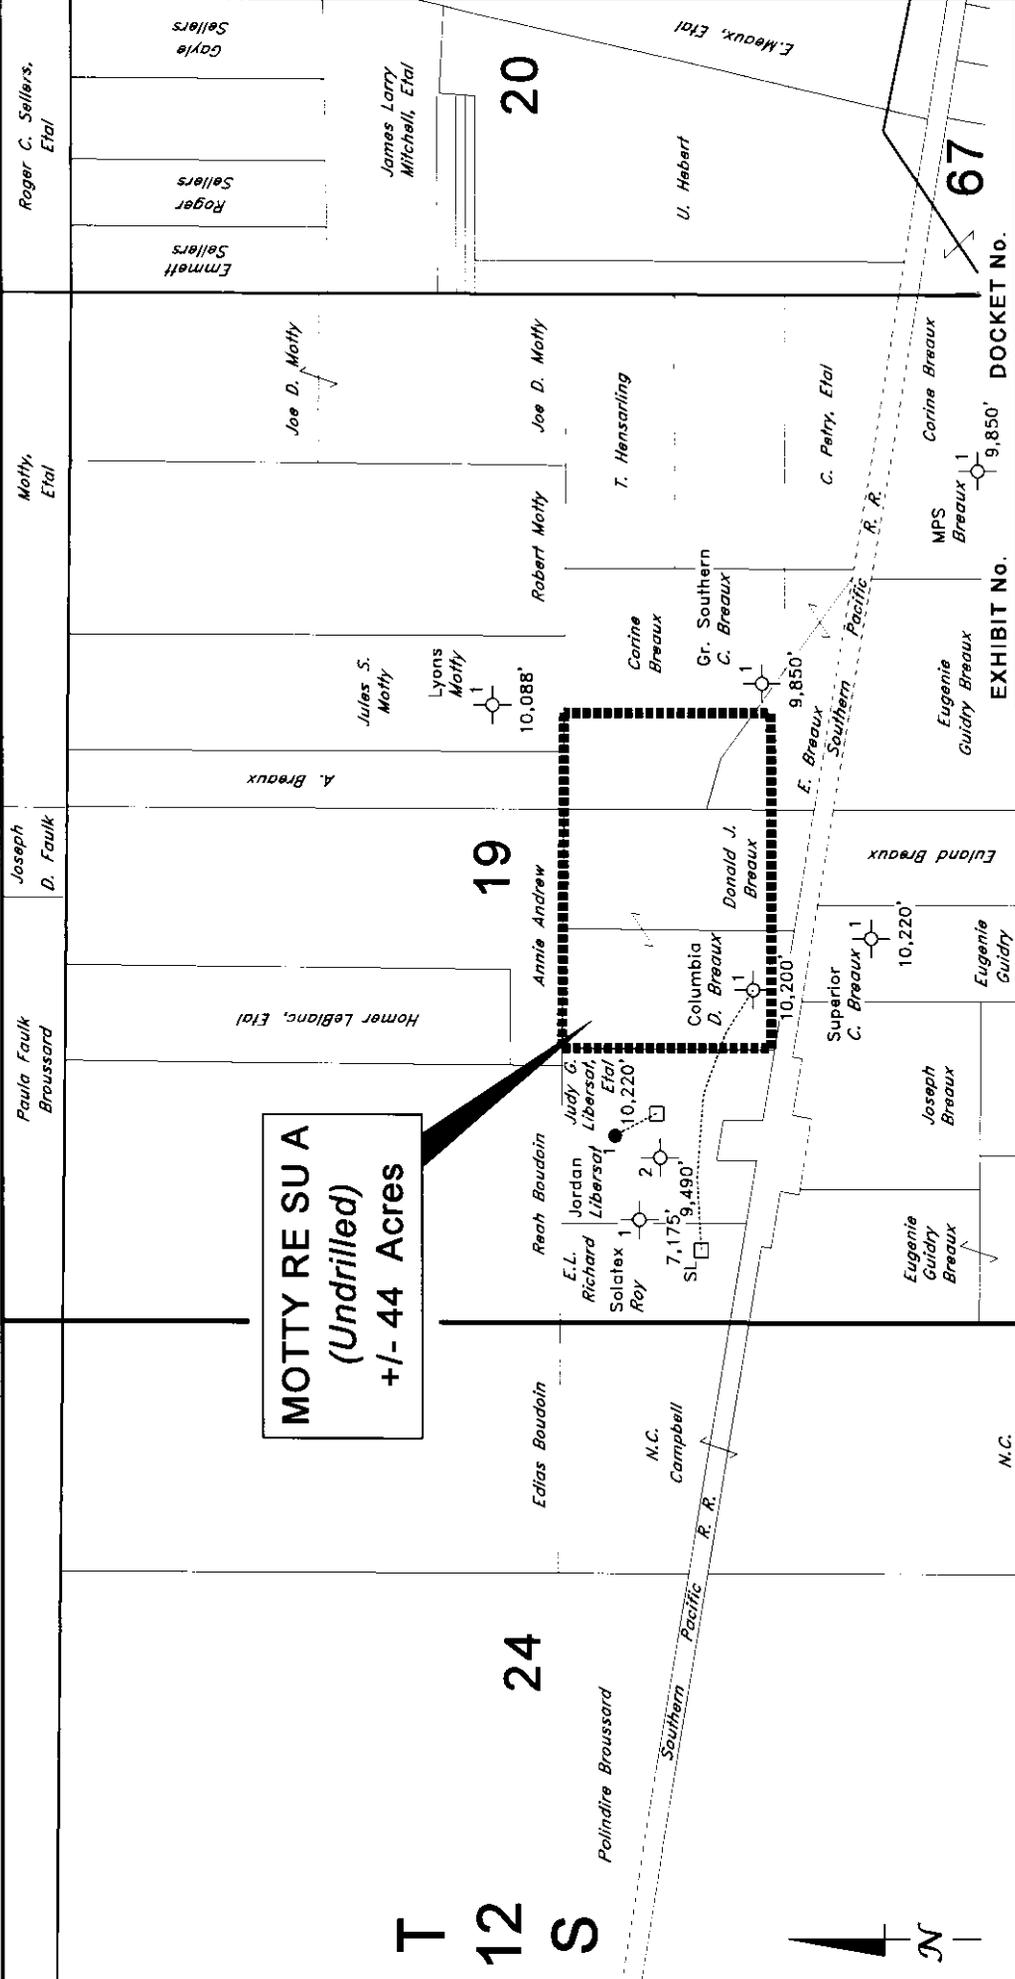

Anthony S. Carollo, Jr.
