Re: Hearing Application
Robu L-Plater Zone, Reservoir A
DONNER FIELD
Terrebonne Parish, Louisiana
Applicant: Milagro Producing, LLC

Dear Mr. Commissioner:

In accordance with the Rules of Procedure for Conducting Hearings Before the Commissioner of Conservation of the State of Louisiana, application is hereby made on behalf of **Milagro Producing, LLC** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Robu L-Plater Zone, Reservoir A, Donner Field, Terrebonne Parish, Louisiana.

1. To create a single drilling and production unit of approximately 800 acres for the Robu L-Plater Zone, Reservoir A, designated as the ROBU L-PLATER RA SUA, Donner Field, Terrebonne Parish, Louisiana, all as shown more particularly on the attached plat;
2. To establish rules and regulations governing the exploration for and production of gas and condensate from said unit;
3. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the unit so created, with each tract sharing in unit production on a surface acreage basis of participation;
4. To consider such other matters relating to the subject reservoirs as may be appropriate and justified by the evidence presented at the public hearing.

The Robu L-Plater Zone, Reservoir A in the Donner Field, is hereby defined as being that gas and condensate bearing sand encountered between the measured depths of 12,850 feet and 15,400 feet (electrical log measurements) in the Consolidated Gas Supply-Brown No. 1 Well, located in Section 41, Township 16 South, Range 15 East, Terrebonne Parish, Louisiana.

In compliance with the Rules of Procedure for Conducting Hearings Before the Commissioner of Conservation of the State of Louisiana, a pre-application conference was held in Lafayette, Louisiana on November 19, 2008. Attached hereto and made a part hereof is a list of the names and addresses of the parties who were in attendance at that conference.

The conference was opened by Mr. William F. Bailey. Mr. David Comeaux of Leon Comeaux & Associates, Inc. presented the plan of applicant. Questions were asked and answered. Several parties expressed their objection to applicant's plan and may file a counterplan. It was expressed that the unit should be called Gibson Field. We would have no objection to the unit being named Gibson Field rather than Donner Field. It is anticipated that there may be opposition at the public hearing on this matter.

Attached hereto and made a part hereof is a plat outlining the ROBU L-PLATER RA SUA, Terrebonne Parish, Louisiana, and a list of the names and addresses of the interested owners, represented parties and interested parties to whom this notice is being sent. It is hereby certified that a reasonable effort was made to ascertain the names and addresses of all interested owners, represented parties and interested parties.

A copy of the list of the names and addresses of the interested owners, represented parties and interested parties is not being mailed to those parties along with this application notice. Should any such party desire a copy of this list, however, we will be glad to provide one upon request.

Upon receipt of the legal notice in the captioned matter, the notice will be posted, published and mailed in accordance with Rule 7 of the Rules of Procedure.

Any pertinent data relating to the proposed unit can be obtained, AT THE COST OF THE REQUESTING PARTY, from Mr. David Comeaux of Leon Comeaux & Associates, P. O. Box 53922, Lafayette, LA 70505 (337) 233-9839.

Finally, there is enclosed herewith our check on behalf of the applicant in the amount of \$755.00, made payable to the Office of Conservation, representing the required hearing application fee.

Very truly yours,

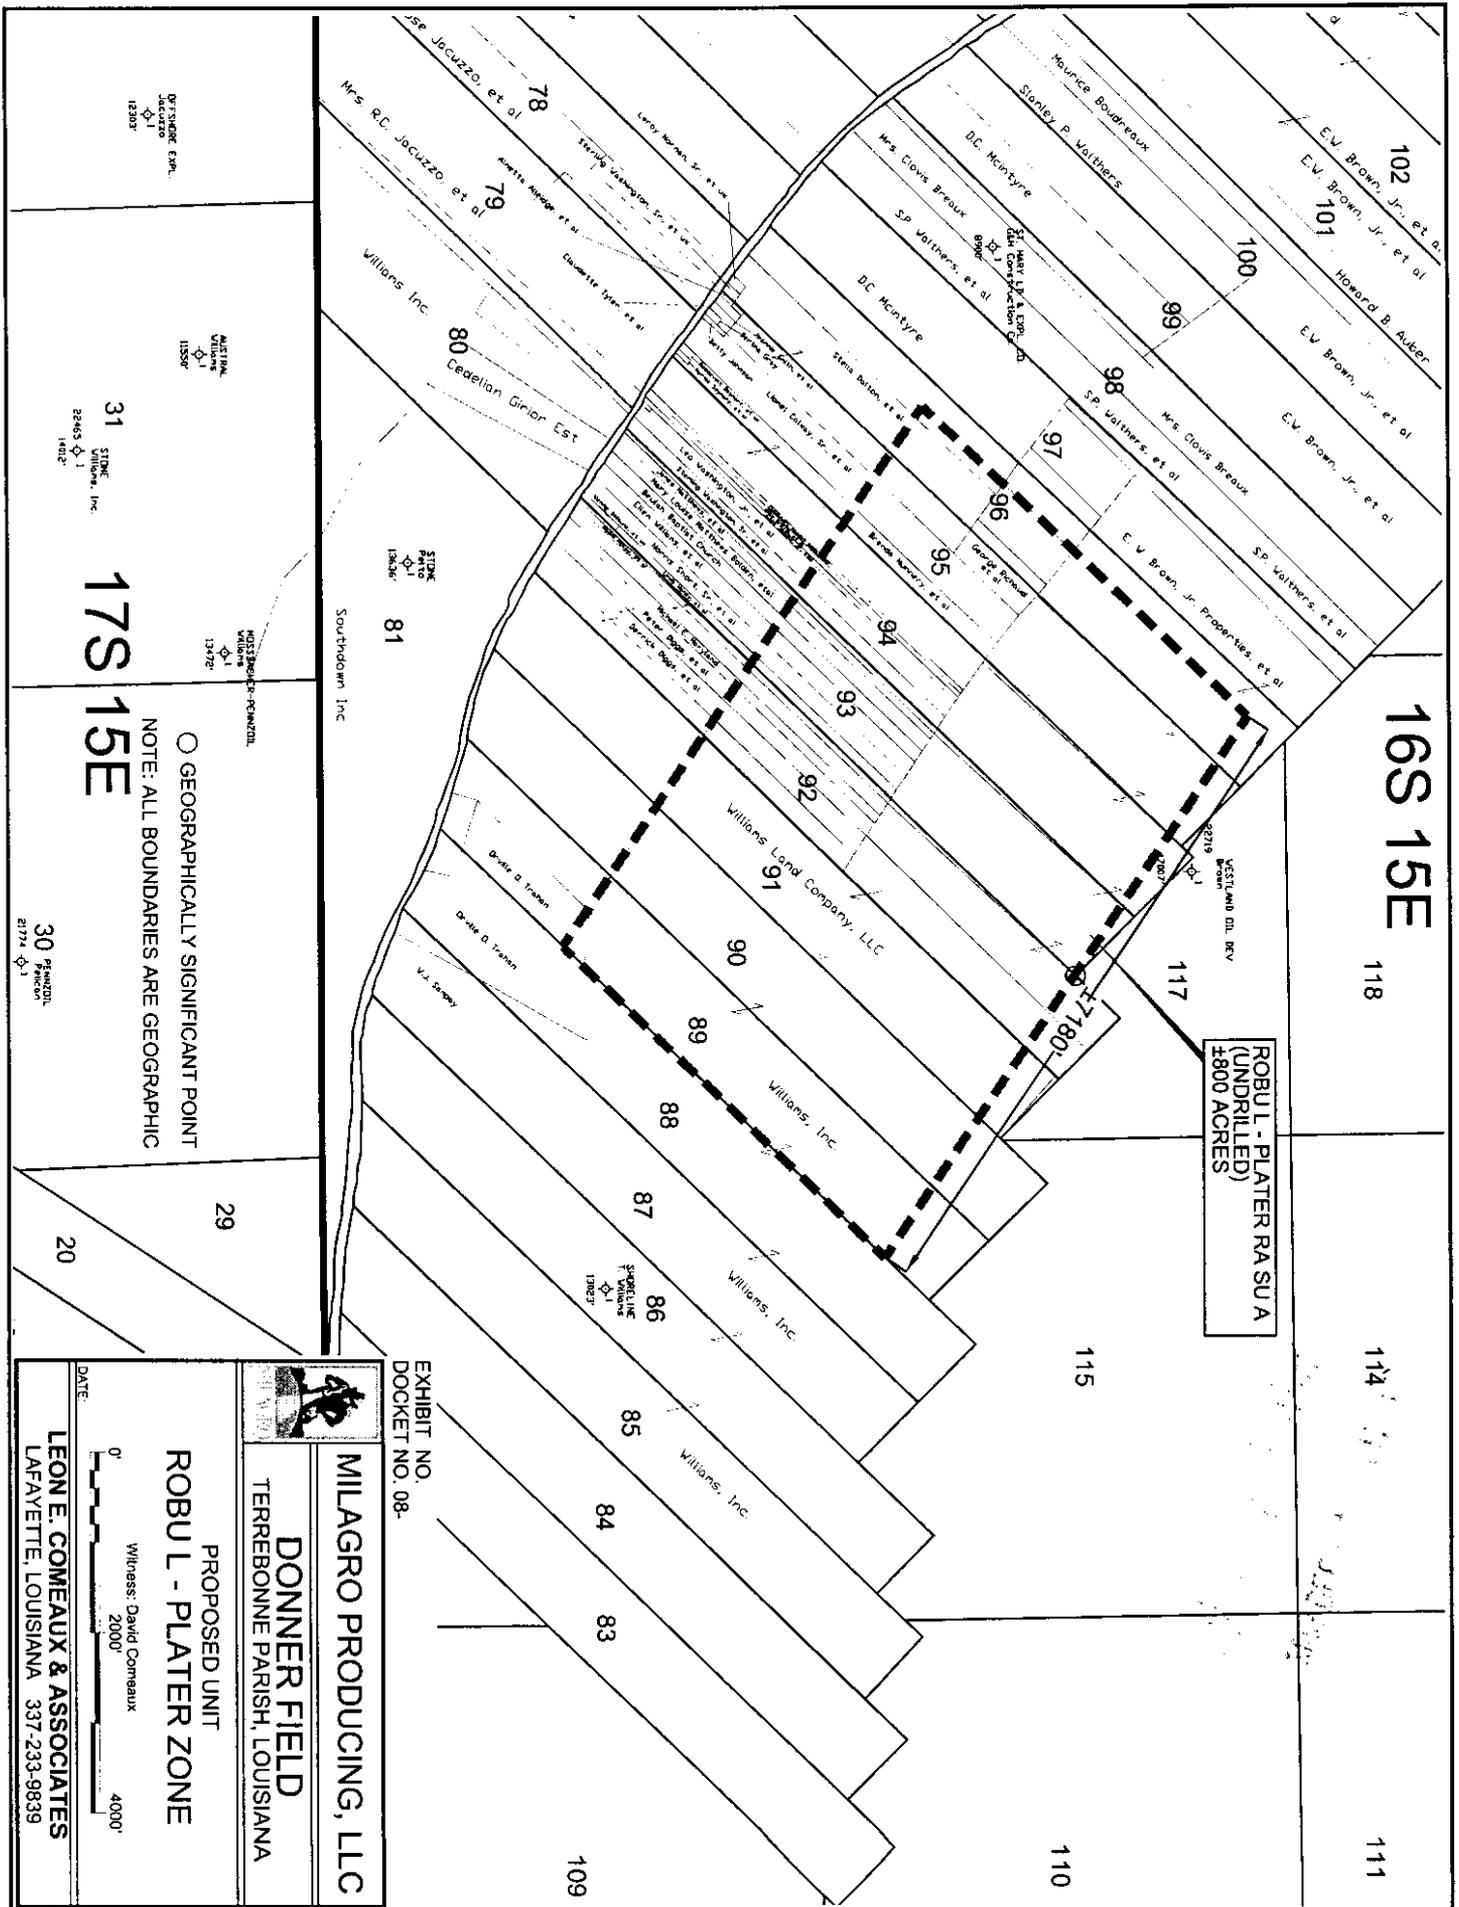

William F. Bailey
