RE: Haynesville Zone, Reservoir A  
Greenwood-Waskom Field  
Caddo Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **CHESAPEAKE OPERATING, INC.**, for the calling of a public hearing, after thirty (30) days legal notice, to consider evidence relative to the issuance of Orders pertaining to the following matters related to the **Haynesville Zone, Reservoir A**, in the **Greenwood-Waskom Field**, Caddo Parish, Louisiana, for which rules and regulations were established and a pattern of drilling and production units was created by Office of Conservation Order No. 270-MM, effective June 19, 2007, as amended and supplemented by the 270-MM Series of Orders, to-wit:

1. To create one (1) additional drilling and production unit for the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A, such unit to be designated HA RA SUQQ;
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit, with

each tract sharing in unit production on a surface acreage basis of participation;

3. To designate Chesapeake Operating, Inc. as the operator of, and a unit well for the proposed unit, if appropriate;
4. That with respect to horizontal wells drilled to the Haynesville Zone, Reservoir A, within or to serve the proposed unit, production casing should be run and cemented across the pool in which the well is to be perforated for production, and where the horizontal portion of the well is cased and cemented back above the top of the Haynesville Zone, Reservoir A, the distance to any unit boundary and any offset wells(s) should be calculated based on the distance to the nearest perforation in the well, and not based on the penetration point or terminus;
5. To extend to the proposed unit, the spacing provisions of Office of Conservation Order No. 270-MM-2, effective September 16, 2008;
6. To extend to the proposed unit, to the extent not inconsistent herewith, all pertinent provisions of Office of Conservation Order No. 270-MM, effective June 19, 2007, as amended and supplemented by the 270-MM Series of Orders, and all applicable Statewide Orders; and
7. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Haynesville Zone, in the Greenwood-Waskom Field, was previously defined in Office of Conservation Order No. 270-MM, effective June 19, 2007, and is hereby redefined INsofar AND ONLY INsofar as the unit proposed herein is concerned, in accordance with Office of Conservation Order No. 270-MM-2, effective September 16, 2008.

The pre-application conference tentatively scheduled for July 31, 2009, **WILL NOT BE HELD**, as it was not requested within the delays provided for by the Rules of Procedure; therefore, no opposition to this Application at the hearing is anticipated.

Pertinent data relating to the proposed application can be obtained, **AT THE COST OF THE REQUESTING PARTY**, by contacting David Comeaux, with Leon Comeaux & Associates, 305 La Rue France, Lafayette, LA 70508 (337) 233-9839

There are attached hereto and made a part hereof a plat outlining the proposed unit and a list of the names and addresses of the interested parties to whom this unitization proposal is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished ONLY to the Commissioner of Conservation and to the

District Manager of the Shreveport District of the Office of Conservation. However, the list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.
