RE: **Hosston Formation, Reservoir B**
Cotton Valley Formation, Reservoir B
Woodardville Field
Bienville Parish, Louisiana

APPLICATION FOR PUBLIC HEARING

Dear Sir:

Questar Exploration and Production Company hereby makes application pursuant to the revised rules of procedure for a public hearing to consider evidence relating to the following matters pertaining to the Hosston Formation, Reservoir B, and the Cotton Valley Formation, Reservoir B, in the Woodardville Field, Bienville Parish, Louisiana:

1. To authorize the applicant to drill, designate and utilize five additional alternate unit wells on each of HOSS RB SUJ and CV RB SUJ at the locations shown on the plat attached hereto and made a part hereof;
2. To authorize the applicant to drill, designate and utilize five additional alternate unit wells on each of HOSS RB SUU and CV RB SUU at the locations shown on the plat attached hereto and made a part hereof;
3. To authorize the applicant to drill, designate and utilize two additional alternate unit wells on each of HOSS RB SUM and CV RB SUM at the locations shown on the plat attached hereto and made a part hereof;
4. To authorize the applicant to drill, designate and utilize one additional alternate unit well on each of HOSS RB SUN and CV RB SUN at the location shown on the plat attached hereto and made a part hereof;

5. To authorize the applicant to drill, designate and utilize one additional alternate unit well on each of HOSS RB SUO and CV RB SUO at the location shown on the plat attached hereto and made a part hereof;
6. To authorize the applicant to drill, designate and utilize four additional alternate unit wells on each of HOSS RB SUD and CV RB SUD at the locations shown on the plat attached hereto and made a part hereof;
7. To determine there is the need for additional alternate unit wells on each of these units to efficiently and economically recover hydrocarbons underlying the units;
8. To grant such exceptions to the well spacing provisions of Order No. 990-C, effective February 1, 2006, with respect to the Hosston Formation, Reservoir B, and Order No. 990-B, effective September 13, 2005, with respect to the Cotton Valley, Formation Reservoir B, as may be necessary with respect to the proposed alternate unit wells;
9. To authorize the unit allowable for these units to be recovered from the existing wells on the units, the proposed alternate unit wells, or from any combination thereof, at the discretion of the operator; and
10. To consider and cover such other matters as the Commissioner of Conservation may deem appropriate and necessary under the circumstances.

The Hosston Formation, Reservoir B, in the Woodardville Field, Bienville and Red River Parishes, Louisiana, was initially defined in Office of Conservation Order No. 990-C, effective February 1, 2006, and was further addressed in subsequent Orders of the 990-C Series of Orders.

The Cotton Valley Formation, Reservoir B, in the Woodardville Field, Bienville and Red River Parishes, Louisiana, was initially defined in Office of Conservation Order No. 990-B, effective September 13, 2005, and was further addressed in subsequent Orders of the 990-B Series of Orders.

Any pertinent data relating to this matter can be obtained, at the cost of the requesting party, from Mr. Craig Barclay, 522 Dumbarton, Shreveport, Louisiana 71106, telephone number (318) 869-2223. The subject matter of this application does not require the issuance of a pre-application.

The list of parties which is attached to the copies of this letter being mailed to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation includes the names of all Interested Owners, Represented Parties and Interested Parties known to Applicant after a diligent search. A copy of this application, with plat attached, is being sent to each party on the list. Pursuant to Office of Conservation regulations, the list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation; however, the list of parties will be provided to any
