Re: **HEARING APPLICATION**
Haynesville Zone, Reservoir A
Smackover Formation, Reservoir C
Cotton Valley Formation, Reservoir B
Caddo Pine Island Field, Caddo Parish, Louisiana

Dear Sir:

On behalf of DEVON ENERGY CORPORATION, application is hereby made for a public hearing, after legal notice, to consider evidence relative to the issuance of orders pertaining to the following matters in the Caddo Pine Island Field, Caddo Parish, Louisiana:

Haynesville Zone, Reservoir A

1. To create four (4) additional drilling and production units for the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A, in the Caddo Pine Island Field, Caddo Parish, Louisiana, to be designated as HA RA SUTT, HA RA SUUU, HA RA SUVV and HA RA SUWW, as shown on the plat attached hereto.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests

within these proposed units in accordance with Section 10, Title 30 of the Louisiana Revised Statutes of 1950, with each tract sharing unit production on a surface acreage basis of participation.

3. Except to the extent contrary herewith, to extend to the proposed additional units all pertinent provisions of Office of Conservation Order No. 122-Y, effective August 26, 2008, as amended and supplemented by the 122-Y Series of Orders, and applicable Statewide Orders.
4. To consider such other matters as may be pertinent.

The Haynesville Zone, Reservoir A in the Caddo Pine Island Field, Caddo Parish, Louisiana, is defined in Office of Conservation Order No. 122-Y, effective August 26, 2008.

Smackover Formation, Reservoir C

1. To create four (4) additional drilling and production units for the exploration for and production of gas and condensate from the Smackover Formation, Reservoir C, in the Caddo Pine Island Field, Caddo Parish, Louisiana, to be designated as SMK RC SUS, SMK RC SUT, SMK RC SUU, and SMK RC SUV, as shown on the plat attached hereto.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within these proposed units in accordance with Section 10, Title 30 of the Louisiana Revised Statutes of 1950, with each tract sharing unit production on a surface acreage basis of participation.
3. Except to the extent contrary herewith, to extend to the proposed additional units all pertinent provisions of Office of Conservation Order No. 122-X-1, effective August 15, 2008, as amended and supplemented by

the 122-X Series of Orders, and applicable Statewide Orders.

4. To consider such other matters as may be pertinent.

The Smackover Formation, Reservoir C in the Caddo Pine Island Field, Caddo Parish, Louisiana, was initially defined in Office of Conservation Order No. 122-X-1, effective August 15, 2006, and is hereby redefined INsofar AND ONLY INsofar as to the additional units created by this Order, as being the stratigraphic equivalent of the interval encountered between the depths of 10,300 feet and 10,530 feet (electric log measurements) in the Texaco, Inc. D.L. Gish, et al No. 1 Well, located in Section 23, Township 20 North, Range 15 West, Caddo Parish, Louisiana.

Cotton Valley Formation, Reservoir B

1. To create two (2) additional drilling and production units for the exploration for and production of gas and condensate from the Cotton Valley Formation, Reservoir B, in the Caddo Pine Island Field, Caddo Parish, Louisiana, to be designated as CV RB SUN and CV RB SUO, and to amend and redefine the CV RB SUC, and CV RB SUI, as shown on the plat attached hereto, as being the gas and condensate bearing sand encountered between the depths of 6,831 feet and 8,400 feet (electric log measurements) in the Texaco, Inc. – R. D. Fenner et ex No. 1 Well, located in Section 24, Township 20 North, Range 15 West, Caddo Parish, Louisiana.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within these proposed units in accordance with Section 10, Title 30 of the Louisiana Revised Statutes of 1950, with each tract sharing unit production on a surface acreage basis of participation.
3. Except to the extent contrary herewith, to extend to the proposed additional units all pertinent provisions

of Office of Conservation Order No. 122-Q, effective February 22, 1979, as amended and supplemented by the 122-Q Series of Orders, and applicable Statewide Orders.

4. To consider such other matters as may be pertinent.

The Cotton Valley Sand, Reservoir B in the Caddo Pine Island Field, Caddo Parish, Louisiana, was initially defined in Office of Conservation Order No. 122-Q, effective February 22, 1979, and is hereby redefined INsofar AND ONLY INsofar as to the CV RB SUC and the CV RB SUI and to define the additional units created by this order, as being the gas and condensate bearing sand encountered between the depths of 6,831 feet and 8,400 feet (electric log measurements) in the Texaco, Inc. – R.D. Fenner et ex No. 1 Well, located in Section 24, Township 20 North, Range 15 West, Caddo Parish, Louisiana.

Any pertinent data, including well logs, not available at the Office of Conservation, may be obtained at the cost of the requesting party from Bill Dale of W.H. Robbins & Associates, L.L.C., 302 LaRue France, Lafayette, Louisiana 70508, telephone number (337) 232-5004.

A Pre-Application Notice dated November 10, 2009, was circulated in connection with this matter. No request for a conference was received, and accordingly, no conference will be held.

Attached to the Commissioner's copy and made a part hereof are plats outlining the applicant's proposals, in addition to a list of the names and addresses of the Interested Owners, Interested Parties and Represented Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, the list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation. However, the list of parties will be furnished to any party requesting copies. A reasonable effort has been made to determine that the enclosed list includes all of the persons to whom this notice must be sent under the Rules of Procedure. Enclosed with the copy of this letter being sent to the Commissioner of Conservation is a check for the appropriate application fee.

You may have received this Hearing Application even if your property is not included in the proposed unit, because the Revised Rules of Procedure

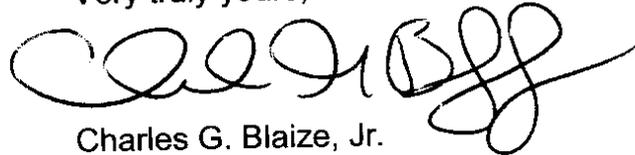

Honorable James H. Welsh
December 9, 2009
Page 5 of 5

require us to attempt to also notify everyone owning an interest in the area "proximate to" the proposed unit.

Your receipt of this Hearing Application does not require you to take any action. It is meant to notify you of these proceedings so that you have the opportunity to participate if you so desire.

With kindest regards, I remain

Very truly yours,

Charles G. Blaize, Jr.

Scott R. Patton
