Dear Sir:

On behalf of Comstock Oil & Gas - Louisiana, LLC, application is hereby made for a public hearing to receive evidence concerning the issuance of an order pertaining to the following matters relating to the Haynesville Zone, Reservoir A, in the Converse Field, Sabine Parish, Louisiana.

1. To create four (4) additional drilling and production units (to be designated as HA RA SU85 thru HA RA SU87 and HA RA SU93), as shown on the plats attached hereto, for the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A, in the Converse Field, Sabine Parish, Louisiana.

4. Except to the extent contrary herewith, to provide that the provisions of the Office of Conservation Order No. 501-G, effective April 7, 2009, as amended and supplemented by the 501-G Series of Orders. shall remain in full force and effect.
5. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Haynesville Zone, Reservoir A, in the Converse Field, Sabine Parish, Louisiana was defined in Office of Conservation Order No. 501-G, effective April 7, 2009.

Pertinent data concerning the intended application will be made available for inspection at the offices of the undersigned. Any person wishing to inspect such data should call the undersigned at (318) 221-6858 during normal business hours or write the undersigned at the above address, in order to arrange a date and time for such inspection. A copy of any such pertinent data can be obtained AT THE EXPENSE OF THE REQUESTING PARTY.

A list of the names and addresses of all Interested Owners, Represented Parties and Interested Parties (as defined in the Revised Rules of Procedure) is attached hereto, and a copy of this notice, with the annexed plats, is being sent to each of such persons. A reasonable effort has been made to determine that the enclosed list includes all of the persons to whom this notice must be sent under the Revised Rules of Procedure. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation. However, the list of parties will be provided to any party requesting a copy of it.

By Pre-Application Notice dated August 30, 2010, applicant advised the Commissioner of Conservation, the District Manager and all Interested Owners, Represented Parties and Interested Parties of applicant's intention to apply for the hearing which is the subject of this application. This application is being filed in duplicate, and a copy hereof is being sent to Mr. James C. Broussard, Shreveport District Manager of the Office of Conservation and to each Interested Owner, Represented Party and Interested Party whose name is shown on the attached list.

You may have received this Hearing Application even though your property may or may not be included in the proposed units, because the Revised Rules of Procedure require us to attempt to also notify everyone owning an interest in the area "proximate to" the proposed units.

Your receipt of this Hearing Application does not require you to take any action. It is meant to notify you of these proceedings so that you have the opportunity to participate if you so desire.

Very truly yours,

BLANCHARD, WALKER, O'QUIN & ROBERTS
