HEARING APPLICATION NOTICE

ALL INTERSTED OWNERS,
INTERESTED PARTIES AND
REPRESENTED PARTIES

Re: Russell Coal Seam Zone
Salt Field
Winn Parish, Louisiana

NOTICE IS HEREBY GIVEN that **WANTAGH ENERGY, LLC** applies to the Commissioner of Conservation for the call of a public hearing, after legal notice, to consider evidence relative to the issuance of Orders pertaining to the following matters related to the **Russell Coal Seam Zone** in The Salt Field, Winn Parish, Louisiana, to-wit:

- 1) To establish rules and regulations and create one (1) coal seam natural gas unit, pursuant to LSA R.S. 30:5.2, for the exploration for and production of coal seam natural gas and related hydrocarbons, such unit to be designated SR CSNG UNIT 1;
- 2) To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed units, with each tract sharing in unit production and costs on a surface acreage basis of participation;
- 3) To designate Wantagh Energy, LLC as the unit operator for the proposed unit;
- 4) To authorize the unit operator to drill as many wells to serve the proposed unit as may be necessary to efficiently and economically drain the coal seam natural gas producing area;
- 5) To provide that any future wells drill to and completed in the Russell Coal Seam Zone within or outside of the proposed unit should be exempt from the spacing between wells but should be located no closer than 330 feet to any unit boundary;
- 6) To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

Page 2

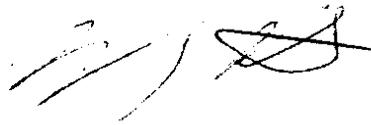

The Russell Coal Seam Zone in the Salt Field, Winn Parish, Louisiana, is hereby defined as being that coal seam natural gas bearing zone encountered between the depths of 2,680 feet and 3,752 feet, electrical log measurements, in the Pano Tech Exploration Co. – Tremont #2 well, located in Section 21, Township 10 North, Range 1 West, Winn Parish, Louisiana, less and except all non-coal intervals encountered within such zone.

A conference to discuss the proposed application and any opposition thereto was held at 10:00 A.M. on March 2, 2009 at the La Quinta in Alexandria, LA. A reasonable effort was made to answer any questions that attendees had. A list of parties in attendance is attached hereto.

Pertinent data relating to the proposed application can be obtained, AT THE COST OF THE REQUESTING PARY, by contacting James Kimbrell, 1138 Florida Street, Baton Rouge, LA 70802 (physical), 8867 Highland Road, #106, Baton Rouge, LA 70808 (mailing) (telephone:225-346-4700).

There is attached hereto and made a part hereof a plat outlining the proposed unit and a list of the names and addresses of the interested parties to whom this unitization proposal is being sent and to whom the pre-application hearing notice was sent to. Pursuant to the Revised Rules of Procedure such list of parties is being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation. However, the list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Very Truly Yours

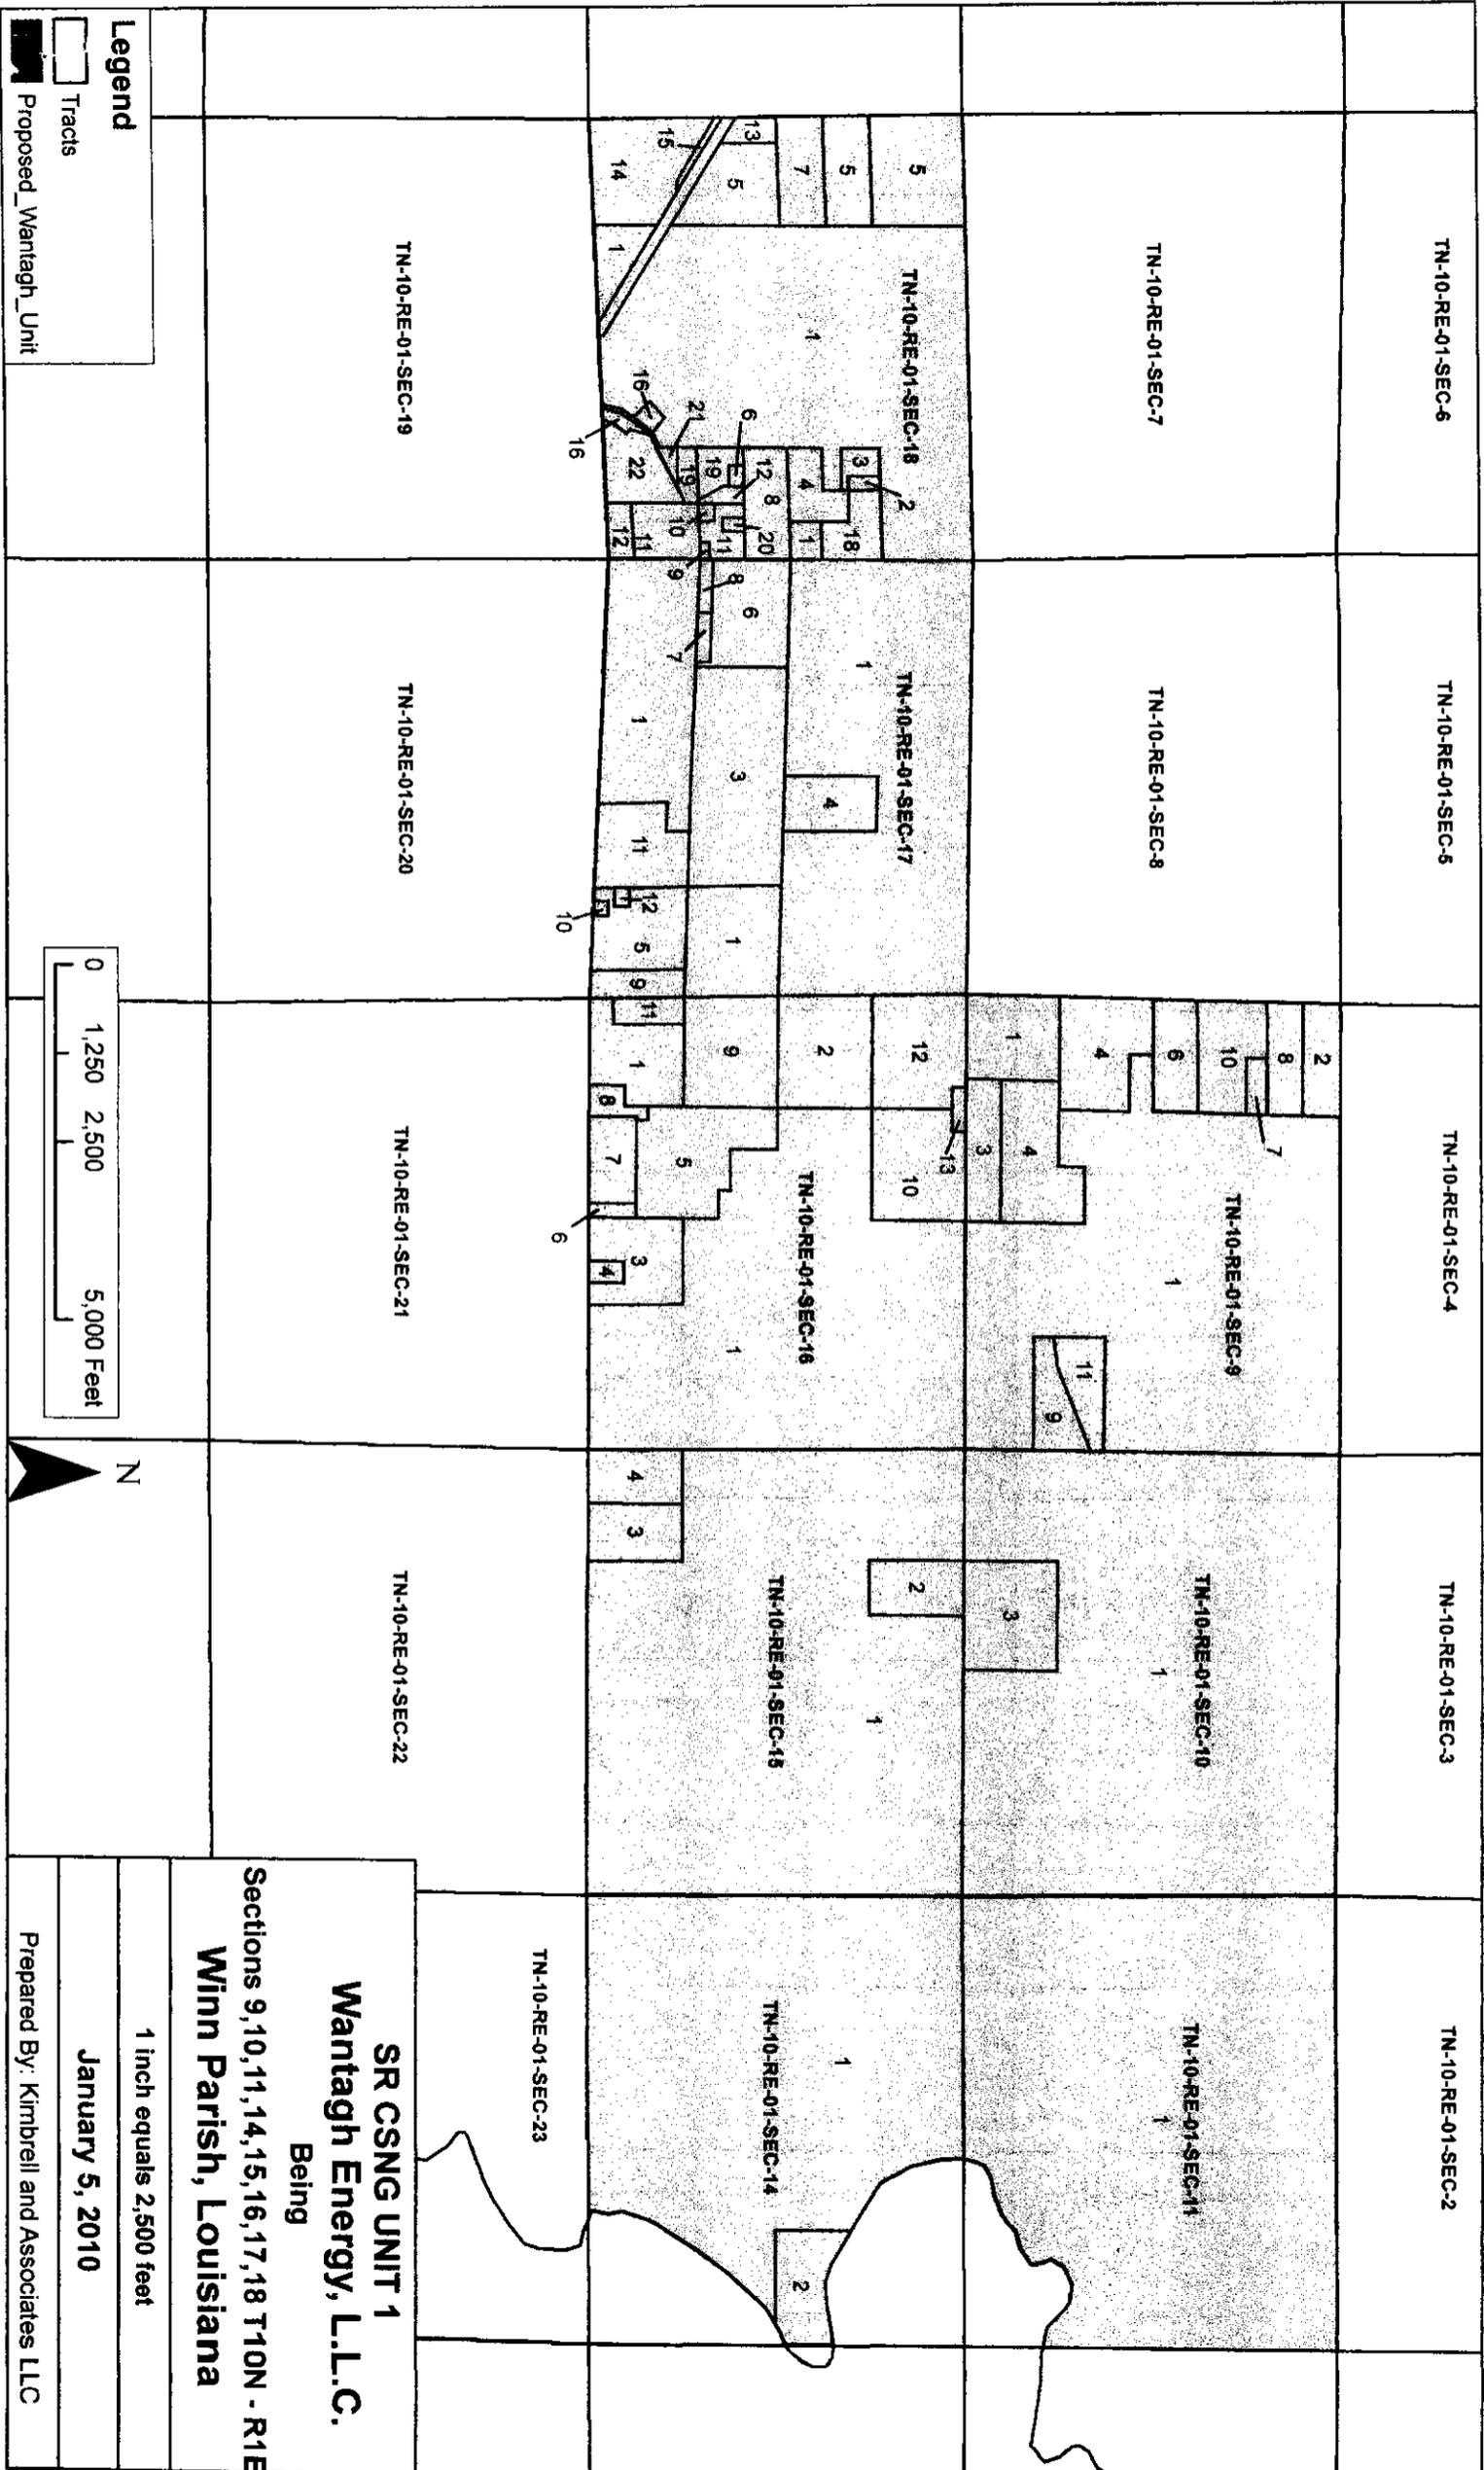

W. Clay Kimbrell, P.E., C.P.G.
