RE: **Lower Cotton Valley Zone, Reservoir A
Ruston Field
Lincoln Parish, Louisiana**

APPLICATION FOR PUBLIC HEARING

Dear Sir:

Devon Energy Production Company, L. P. hereby makes application pursuant to the revised rules of procedure for a public hearing to consider evidence relating to the following matters pertaining to the Lower Cotton Valley Zone, Reservoir A, in the Ruston Field, Lincoln Parish, Louisiana:

1. To authorize Devon Energy Production Company, L. P. to drill, designate and utilize a horizontal lateral as an additional alternate unit well for LCV RA SUE at the location in the general manner indicated on the attached plat, or within a one hundred foot radius of the locations and path indicated provided there are no perforations in the wellbore closer than 330 feet to any unit line;
2. To confirm that with respect to the proposed alternate unit well that production casing will be run and cemented across the pool in which the well is to be perforated for production;
3. To establish that the proposed alternate unit well is necessary to efficiently and economically recover hydrocarbons underlying the LCV RA SUE which cannot be efficiently and economically recovered by any existing well on the unit;
4. To the extent necessary, to approve the proposed alternate unit well as an exception to the well location provisions of Office of Conservation Order No. 164-Z, effective February 12, 1997;

5. To authorize the unit allowable for LCV RA SUE to be recovered from the existing wells located on the unit, the proposed alternate unit well, or any combination thereof, in the discretion of the operator; and
6. To consider and cover such other matters as the Commissioner of Conservation may deem appropriate and necessary under the circumstances.

The Lower Cotton Valley Zone, Reservoir A, in the Ruston Field, Lincoln Parish, Louisiana, was defined in Office of Conservation Order No. 164-Z, effective February 12, 1997.

The subject matter of this application does not require the issuance of a pre-application notice.

Any pertinent data relating to this matter can be obtained at the cost of the requesting party from Mr. Lou Bertoli, Devon Energy Production Company, L. P., 1200 Smith Street, Houston, Texas 77002, telephone number (713) 265-6779.

The list of parties attached to the copy of this application being sent to the Office of Conservation includes the names of all Interested Owners, Represented Parties and Interested Parties known to applicant after a diligent search. A copy of this application, with plat attached, is being sent to each such party. Pursuant to Office of Conservation regulations, the list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation; however, the list of parties will be provided to any person requesting a copy of it. Enclosed with the copy of this letter being sent to the Commissioner of Conservation is the fee for this application.

Yours very truly,

COOK, YANCEY, KING & GALLOWAY

J. William Fleming
