RE: Upper Siphonina Davisi Zone, Reservoir A
Siphonina Davisi Zone, Reservoir C
West White Lake Field
Vermilion Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **FOREST OIL CORPORATION**, for the calling of a public hearing, after thirty (30) days legal notice, to consider evidence relative to the issuance of Orders pertaining to the following matters related to the **Upper Siphonina Davisi Zone, Reservoir A** and **Siphonina Davisi Zone, Reservoir C**, in the **West White Lake Field**, Vermilion Parish, Louisiana, to-wit:

1. To establish rules and regulations and create a single drilling and production unit for the exploration for and production of gas and condensate, for each reservoir, such units to be designated U SD RA SUA and SD RC SUA;
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed units, with each tract sharing in unit production on a surface acreage basis of participation;

3. To designate Forest Oil Corporation as operator of the proposed units, and to designate a unit well for the proposed units;
4. To provide that any future wells drilled to the Upper Siphonina Davisi Zone, Reservoir A, or the Siphonina Davisi Zone, Reservoir C, within or outside of the proposed units, should be located in accordance with the spacing provisions of Statewide Order 29-E;
5. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoirs, by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoirs change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation; and
6. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Upper Siphonina Davisi Zone, Reservoir A, in the West White Lake Field, Vermilion Parish, Louisiana, is hereby defined as being that gas and condensate bearing zone encountered between the depths of 15,680 feet and 16,250 feet (electrical log measurements) in the Forest Oil Corporation - State Lease No. 15038 No. 3 Well, located in Section 3, Township 15 South, Range 2 West.

The Siphonina Davisi Zone, Reservoir C, in the West White Lake Field, Vermilion Parish, Louisiana, was previously defined in Order No. 75-J, effective April 24, 2007, and is hereby further defined as being that gas and condensate bearing zone with a top being encountered at a depth of 16,250 feet (electrical log measurements) and base not reached in the Forest Oil Corporation - State Lease No. 15038 No. 3 Well, located in Section 3, Township 15 South, Range 2 West.

The pre-application conference tentatively scheduled for March 12, 2010, **WILL NOT BE HELD**, as it was not requested within the delays provided for by the Rules of Procedure; therefore, no opposition to this Application at the hearing is anticipated.

Pertinent data relating to the proposed application can be obtained, **AT THE COST OF THE REQUESTING PARTY**, by contacting David Comeaux with Leon E. Comeaux & Associates, P.O. Box 53922, Lafayette, LA 70505, (337) 233-9839.
