Re: Haynesville Zone, Reservoir A
Cedar Grove Field
Caddo Parish, Louisiana

APPLICATION FOR PUBLIC HEARING

Dear Sir:

Petrohawk Operating Company hereby makes application pursuant to the revised rules of procedure for a public hearing to consider evidence relating to the following matters pertaining to the Haynesville Zone, Reservoir A, in the Cedar Grove Field, Caddo Parish, Louisiana:

1. To create two additional drilling and production units for the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A, in the Cedar Grove Field, Caddo Parish, Louisiana, to be designated HA RA SUR and HA RA SUS, as shown outlined on the plat attached hereto and made a part hereof;
2. To redefine the Haynesville Zone, Reservoir A, in the Cedar Grove Field, INSOFAR AND ONLY INSOFAR as HA RA SUR and HA RA SUS are concerned, as being the stratigraphic equivalent of that gas and condensate bearing interval encountered between the depths of 9,960 feet and 11,542 feet (electrical log measurements) in the Petrohawk Operating Company - B & K Exploration 37 No. 1 Well, located in Irregular Section 37, Township 17 North, Range 13 West, Caddo Parish, Louisiana.
3. To force pool and integrate all of the separately owned tracts, mineral leases and other property interests located within the proposed units in accordance with Section 10, Title 30, of the Louisiana Revised Statutes of 1950, with each tract sharing in unit production on a surface acreage basis of participation;
4. To designate unit wells and unit operators, as appropriate;
5. Except to the extent inconsistent herewith, to extend the provisions of Office of Conservation Order No. 967-C, effective August 12, 2008, and of all applicable Statewide Orders, to the additional units requested herein;
6. To confirm that with respect to horizontal wells drilled to the Haynesville Zone, Reservoir A, in or to serve the proposed units, where the horizontal lateral portion of the

well is cased and cemented back above the top of the Haynesville Zone, Reservoir A, the distance to any unit boundary and offset well(s) will be calculated based on the distance to the nearest perforation in the well, and not based on the penetration point or terminus; and

7. To consider and cover such other matters as the Commissioner of Conservation may deem appropriate and necessary under the circumstances.

The Haynesville Zone, Reservoir A, in the Cedar Grove Field, was initially defined in Order No. 967-C, effective August 12, 2008, and is to be redefined INsofar AND ONLY INsofar AS HA RA SUR and HA RA SUS are concerned, as provided herein.

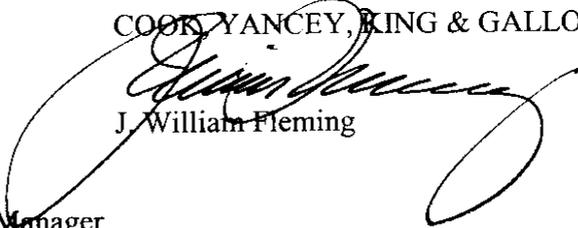

Any pertinent data relating to this matter can be obtained at the cost of the requesting party, from Mr. Craig Barclay, 522 Dumbarton Drive, Shreveport, Louisiana 71106, at telephone number (318) 869-2223.

A pre-application conference with respect to this matter was held on March 25, 2010. The attendees at the conference are identified on the list attached hereto. Bill Fleming and Craig Barclay on behalf of Petrohawk Operating Company explained the Applicant's proposal. Questions were asked and answered. Several of the attendees expressed concerns, but no direct opposition was stated with respect to the proposed units.

The list of parties attached to the copies of this application being sent to the Office of Conservation includes the names of all Interested Owners, Represented Parties and Interested Parties known to Applicant after a diligent search. A copy of this application, with plat attached, is being sent to each such party. Pursuant to Office of Conservation regulations, the list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation; however, the list of parties will be provided to any person requesting a copy of it. Enclosed with the copy of this application being sent to the Commissioner is a check for the application fee.

Yours very truly,

COOK, YANCEY, KING & GALLOWAY

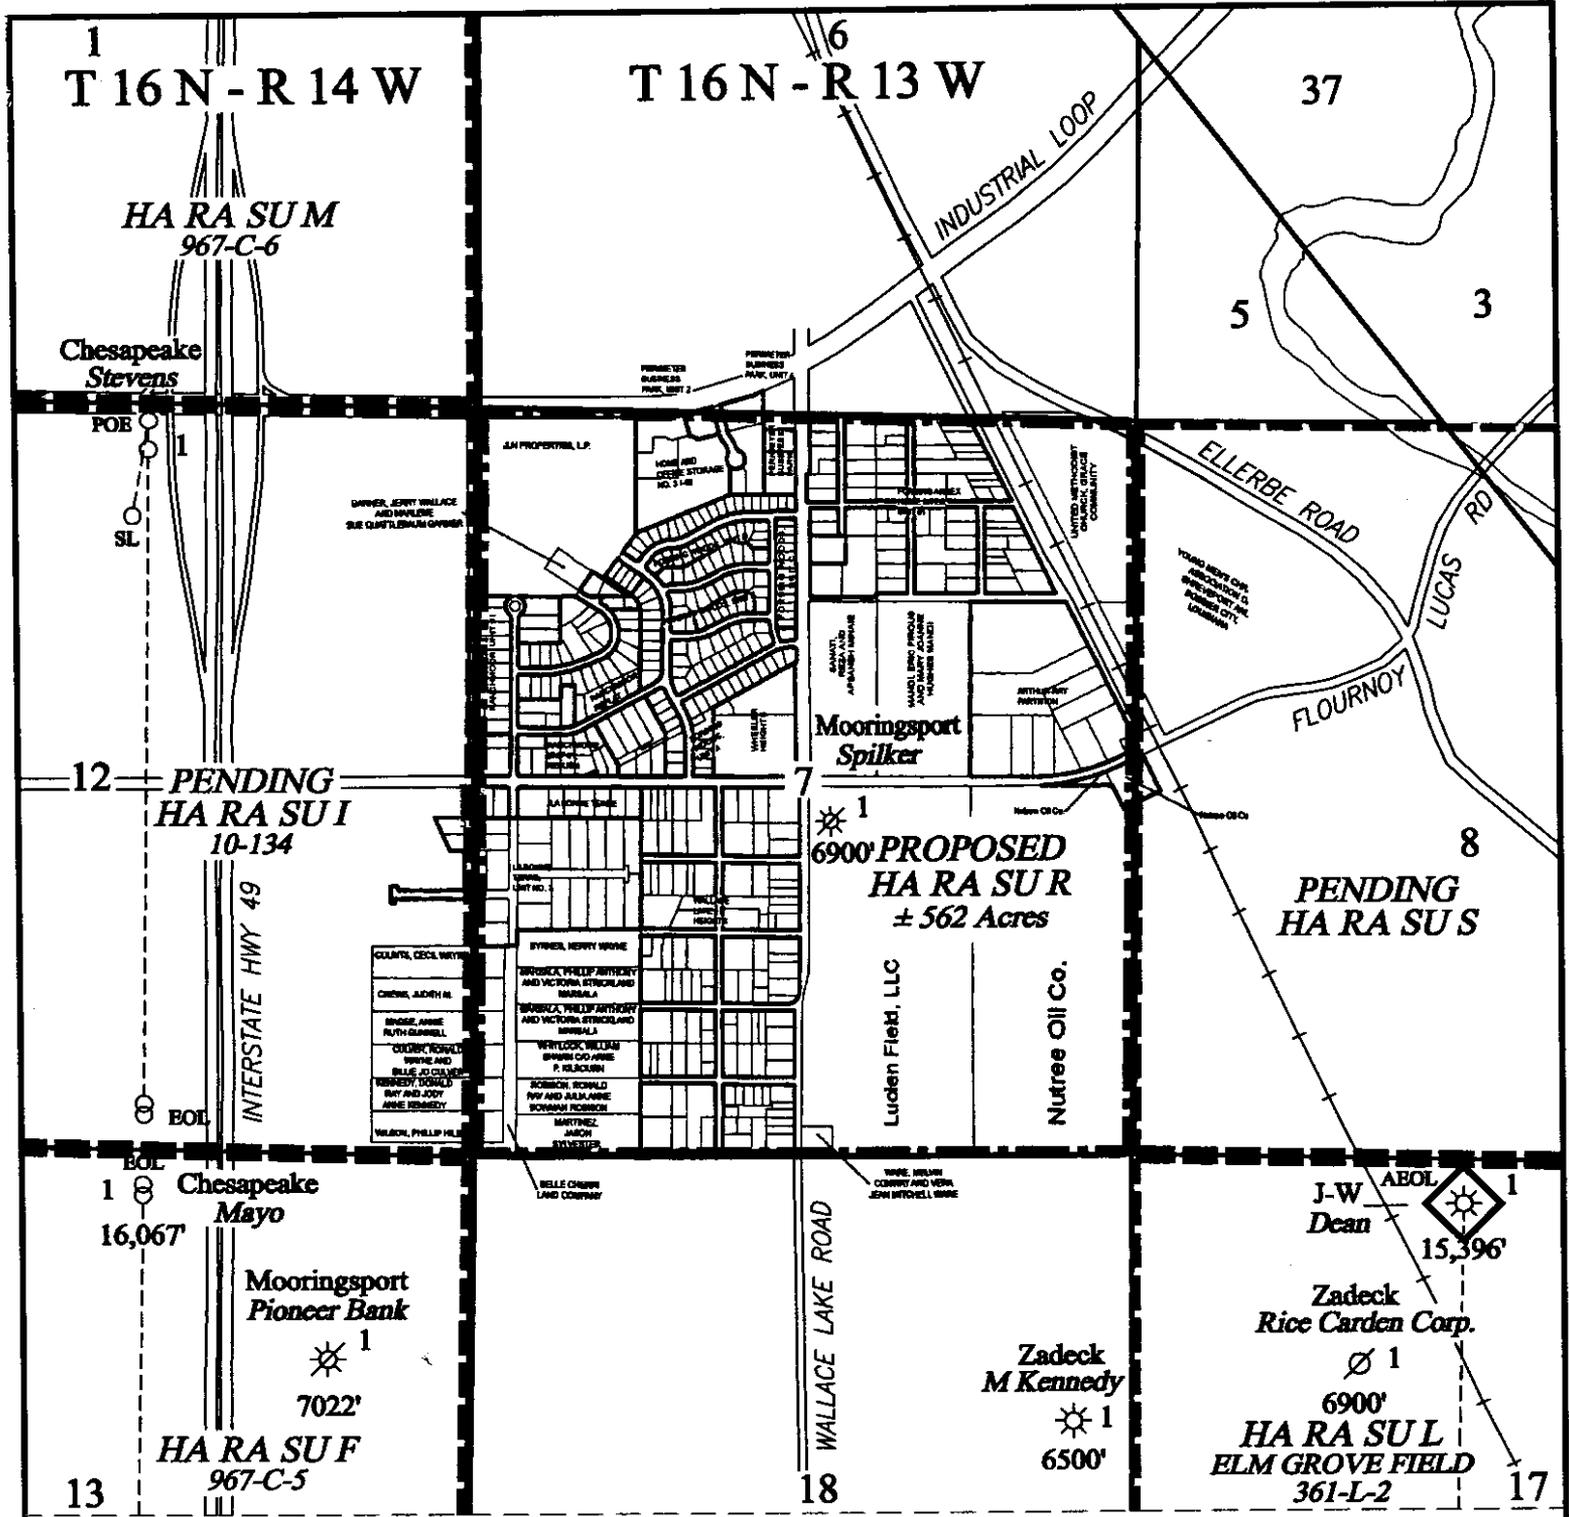

J. William Fleming
