RE: Haynesville Zone, Reservoir A  
Greenwood-Waskom Field  
Caddo Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **CHESAPEAKE OPERATING, INC.**, for the calling of a public hearing, after thirty (30) days legal notice, to consider evidence relative to the issuance of Orders pertaining to the following matters related to the **Haynesville Zone, Reservoir A**, in the **Greenwood-Waskom Field**, Caddo Parish, Louisiana, for which rules and regulations were established and a pattern of drilling and production units was created by Office of Conservation Order No. 270-MM, effective June 19, 2007, as amended and supplemented by the 270-MM Series of Orders, to-wit:

1. To create six (6) additional drilling and production units for the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A, such units to be designated HA RA SU73, HA RA SU74, HA RA SU75, HA RA SU79, HA RA SU80, and HA RA SU81;

17, 19, & 20-17-15  
25, 26 & 34-17-15  
3191505.1

2. To redefine the Haynesville Zone, Reservoir A, INSO FAR AND ONLY INSO FAR as to the proposed units, in accordance with the Definition section hereof;
3. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed units, with each tract sharing in unit production on a surface acreage basis of participation;
4. To designate Chesapeake Operating, Inc. as the operator of, and a unit well for each of the proposed units, if appropriate;
5. To provide that with respect to horizontal wells drilled to the Haynesville Zone, Reservoir A, within or to serve the proposed units, where the horizontal portion of the well is cased and cemented back above the top of the Haynesville Zone, Reservoir A, the distance to any unit boundary and any offset well(s) should be calculated based on the distance to the nearest perforation in the well, and not based on the penetration point or terminus;
6. To extend to the proposed units, to the extent not inconsistent herewith, all pertinent provisions of Office of Conservation Order No. 270-MM, effective June 19, 2007, as amended and supplemented by the 270-MM Series of Orders, and all applicable Statewide Orders; and
7. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Haynesville Zone, in the Greenwood-Waskom Field, was previously defined in Office of Conservation Order No. 270-MM, effective June 19, 2007, and is hereby redefined INSO FAR AND ONLY INSO FAR as to the units proposed herein, as being that gas and condensate bearing zone encountered between the depths of 9,828 feet and 11,145 feet (electrical log measurements) in the Encore Operating Louisiana, LLC (formerly Greystone Oil & Gas, LLP) - Querbes No. 2 Well located in Section 29, Township 16 North, Range 16 West, Caddo Parish, Louisiana.

This Application combines the unit proposals from two separate Pre-Application Notices, dated March 17, 2010, and March 18, 2010, respectively. The pre-application conferences tentatively scheduled for April 7, 2010 and April 8, 2010, **WILL NOT BE HELD**, as the conferences either were not requested within the delays provided for by the Rules of Procedure, or if were requested, such requests were withdrawn after a conversation with each of the parties who initially made such requests. Therefore, no opposition to this Application at the hearing is anticipated.

Pertinent data relating to the proposed application can be obtained, AT THE COST OF THE REQUESTING PARTY, by contacting David Comeaux, with Leon Comeaux & Associates, 305 La Rue France, Lafayette, LA 70508 (337) 233-9839.

There are attached hereto and made a part hereof two (2) plats outlining the proposed units and a list of the names and addresses of the interested parties to whom this unitization proposal is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation. However, the list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed herein is our check in the amount of \$755.00 made payable to the Office of Conservation in payment of the required hearing application fee.

Very truly yours,

RANDALL C. SONGY
