Any pertinent data not available from the Office of Conservation, including well logs, may be obtained **AT THE COST OF THE REQUESTING PARTY** from Holmes Smart with Frank W. Harrison, Jr. and Associates, 200 Audubon Boulevard, Lafayette, Louisiana, 70503, Telephone Number (337) 298-2379.

Pursuant to the Rules of Procedure, a pre-application conference was held on March 19, 2010, in Lafayette, Louisiana at which the parties named on the attached list were in attendance. The conference was opened by representatives of the applicant who explained the bases of their unit proposals. Opposition was expressed by representatives of JGC Energy Development (USA) Inc. and Shoreline Southeast LLC. After considerable discussion, the conference was adjourned without a resolution of differences. Since the conference, the applicant has partially resolved differences and has chosen to go forward with a single unit for TP-1-2 Zone which is reflected on the plat attached hereto. Opposition at the hearing is possible.

Attached hereto and made a part hereof is a plat outlining the applicant's revised unit proposal, the conference attendance list and a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check in the amount of \$755.00 made payable to the Office of Conservation submitted on behalf of the applicant representing the hearing application fee.

Very truly yours,
