Re: Southdown Sand, Reservoir B
T Sand, Reservoir B
Hollywood Field
Terrebonne Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **PETRO-HUNT, LLC** for the calling of public hearings, after legal notice, to consider evidence relative to the issuance of orders pertaining to the following matters relating to the Southdown Sand, Reservoir B, and the T Sand, Reservoir B, all in the Hollywood Field, Terrebonne Parish, Louisiana:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of gas and condensate from the following: Southdown Sand, Reservoir B, and T Sand, Reservoir B, all in the Hollywood Field, Terrebonne Parish, Louisiana, said units to be designated SOUTHDOWN RB SUA and T RB SUA, respectively, as shown on the plats attached hereto and made a part hereof.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within each of the proposed units with each tract sharing in unit production on a surface acreage basis of participation.
3. To provide that any future wells drilled to the aforementioned sands and reservoirs, within or outside the units created herein, should be located in accordance with the spacing provisions of LAC 43:XIX.1901 et seq. (Statewide Order No. 29-E).
4. To provide that the Commissioner of Conservation should be authorized to reclassify said sand and reservoirs by supplemental order without the necessity of a public hearing if the producing characteristics of such reservoirs change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.
5. To consider such others matters as may be pertinent.

April 8, 2010

The Southdown Sand, Reservoir B, in Hollywood Field, is hereby defined as being the stratigraphic equivalent of that gas and condensate bearing sand encountered between the depths of 14,160 feet and 14,514 feet (electrical log measurements) in the Getty Oil Company (formerly Tidewater Oil Co.) – Southdown Sugars No. 12 Well, located in Section 101, Township 17 South, Range 17 East, Terrebonne Parish, Louisiana.

The T Sand, Reservoir B, in Hollywood Field, is hereby defined as being the stratigraphic equivalent of that gas and condensate bearing sand encountered between the depths of 14,514 feet and 14,767 feet (electrical log measurements) in the Getty Oil Company (formerly Tidewater Oil Co.) – Southdown Sugars No. 12 Well, located in Section 101, Township 17 South, Range 17 East, Terrebonne Parish, Louisiana.

Any pertinent data, including well logs, not available from the Office of Conservation, may be obtained **AT THE COST OF THE REQUESTING PARTY** from David Comeaux, Leon E. Comeaux & Associates, P. O. Box 53922, Lafayette, Louisiana 70505, Telephone Number 337/233-9839.

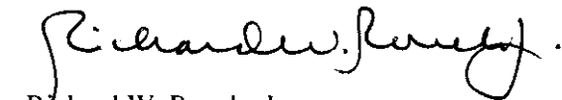

Pursuant to the Rules of Procedure, a pre-application conference was held on April 7, 2010 in Lafayette, Louisiana at which the parties named on the attached list were in attendance. The conference was opened by representatives of the applicant who explained the bases for the units being requested. Questions were asked and answered. The conference was adjourned. No opposition was expressed at the conference.

Attached hereto and made a part hereof are plats outlining the applicant's proposals, the conference attendance list and a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check in the amount of \$1,510.00 made payable to the Office of Conservation submitted on behalf of the applicant representing the required hearing application fee.

Very truly yours,

LISKOW & LEWIS
