Re: Miocene 3A-2 Zone, Reservoir E  
North Crowley Field  
Acadia Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **ENERGYQUEST II, LLC** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of oil and gas from the Miocene 3A-2 Zone, Reservoir E, in the North Crowley Field, Acadia Parish, Louisiana, said proposed unit designated MIO 3A-2 RE SUA, as shown on the plat attached hereto and made a part hereof.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit with each tract sharing in unit production on a surface acreage basis of participation.
3. To designate Energyquest II, LLC as operator of the proposed unit.
4. To designate its Williams No. 41 Well as unit well for the proposed unit.
5. To provide that any future substitute and/or alternate unit wells drilled to the Miocene 3A-2 Zone, Reservoir E, in North Crowley Field, within or outside of the unit created herein, should be located no closer than 50 feet from any unit boundary with no minimum distances between wells.
6. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoir by supplemental order without the necessity of a public hearing if the producing

characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.

7. To consider such others matters as may be pertinent.

The Miocene 3A-2 Zone, Reservoir E, in the North Crowley Field, is hereby defined as being that oil and gas bearing zone encountered between the depths of 4,810 feet and 4,975 feet (electrical log measurements) in the Energyquest II, LLC – Williams No. 41 Well, located in Section 33, Township 8 South, Range 1 East, Acadia Parish, Louisiana.

Any pertinent data, including well logs, not available from the Office of Conservation, may be obtained **AT THE COST OF THE REQUESTING PARTY** from Leon E. Comeaux & Associates, P. O. Box 53922, Lafayette, Louisiana 70505, Telephone Number 337/233-9839.

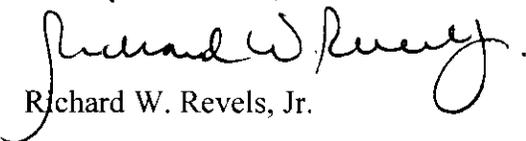

Pursuant to the Rules of Procedure, pre-application notice was given; however, no request for the conference was received. Therefore, the conference tentatively scheduled for April 23, 2010, **WILL NOT BE HELD.**

Attached hereto and made a part hereof is a plat outlining the applicant's proposal, along with a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, the list of parties is being furnished **ONLY** to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check in the amount of \$755.00 made payable to the Office of Conservation submitted on behalf of the applicant representing the hearing application fee.

Very truly yours,

LISKQW & LEWIS
