RE: HEARING APPLICATION
HA RA SU60 and HA RA SUSS
Haynesville Zone, Reservoir A
Logansport Field
DeSoto Parish, Louisiana
Our File No. 230593.359

Dear Sir:

On behalf of **Comstock Oil & Gas - Louisiana, LLC**, application is hereby made for a public hearing to receive evidence concerning the issuance of an order pertaining to the following matters relating to the Haynesville Zone, Reservoir A, in the Logansport Field, DeSoto Parish, Louisiana.

1. To create two (2) additional drilling and production units (to be designated HA RA SU60 and HA RA SUSS) for the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A, in the Logansport Field, DeSoto Parish, Louisiana, as shown on the plat attached hereto.
2. To force pool and integrate all separately owned tracts, mineral leases, and other property interests within the proposed units, with allocation of production to the tracts within such units to be on the basis of surface acreage.
3. To provide that, with respect to horizontal wells drilled to the Haynesville Zone, Reservoir A, within or to serve the proposed units, where the horizontal portion of the well is cased and cemented back above the top of the Haynesville Zone, Reservoir A, the distance to any unit boundary and any offset well(s) will be calculated based on the distance to the nearest perforation in the well, and not based on the penetration point or terminus.
4. Except to the extent contrary herewith, to extend the provisions of Office of Conservation Order No. 28-AA, effective July 29, 2008, as amended and supplemented by the 28-AA Series of Orders, to the proposed units.

5. To consider such other matters and issue such orders as may be appropriate and justified by the evidence presented at the hearing.

The Haynesville Zone, Reservoir A, in the Logansport Field, was fully defined in Office of Conservation Order No. 28-AA, effective July 29, 2008.
