Haynesville Zone, Reservoir A
Alabama Bend Field
Bienville Parish, Louisiana**

APPLICATION FOR PUBLIC HEARING

Dear Sir:

Questar Exploration and Production Company hereby gives notice pursuant to the revised rules of procedure for a public hearing to consider evidence relating to the following matters pertaining to the Cotton Valley Zone, Reservoir A, and the Haynesville Zone, Reservoir A, in the Alabama Bend Field, Bienville Parish, Louisiana:

1. To redefine the Cotton Valley Zone, Reservoir A, in the Alabama Bend Field, INsofar AND ONLY INsofar as CV RA SUE and CV RA SUI are concerned, to revise the base of the defined interval in each of said units to the stratigraphic equivalent of the measured depth of 10,149 feet (rather than 10,230 feet) in the Petro-Chem Operating Company, Inc. - Black Stone Minerals 11-1 No. 1 Well located in Section 11, Township 15 North, Range 10 West, Bienville Parish, Louisiana;
2. Except as to be redefined as provided herein, to ratify, confirm and continue in full force and effect the drilling and production units for the Cotton Valley Zone, Reservoir A, in the Alabama Bend Field, which are designated as CV RA SUE and CV RA SUI;
3. To establish two additional drilling and production units for the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A, in the Alabama Bend Field, to be designated HA RA SUO and HA RA SUP, as shown outlined on the plat attached hereto and made a part hereof;

COOK, YANCEY, KING & GALLOWAY

Office of Conservation

Page 2

4. To redefine the Haynesville Zone, Reservoir A, in the Alabama Bend Field, INSO FAR AND ONLY INSO FAR as HA RA SUO and HA RA SUP are concerned, as the stratigraphic equivalent of that gas and condensate bearing zone encountered between the depths of 10,305 feet and 12,620 feet (electrical log measurements) in the Questar Exploration and Production Company - Sustainable Forests 28 No. 1 Well located in the Northwest Quarter of Northwest Quarter of Section 28, Township 15 North, Range 9 West, Bienville Parish, Louisiana;
5. To force pool and integrate all of the separately owned tracts, mineral leases and other property interests located within the proposed units for the Haynesville Zone, Reservoir A, in accordance with Section 10, Title 30, of the Louisiana Revised Statutes of 1950, with each tract sharing in unit production on a surface acreage basis of participation;
6. To designate unit wells and unit operators, as appropriate;
7. To provide that with respect to horizontal wells drilled to the Haynesville Zone, Reservoir A, in or to serve the proposed units, where the horizontal lateral portion of the well is cased and cemented back above the top of the Haynesville Zone, Reservoir A, the distance to any unit boundary or offset well will be calculated based on the distance to the nearest perforation in the well, and not based on the penetration point or terminus;
8. Except to the extent inconsistent herewith, to extend the pertinent provisions of Office of Conservation Order No. 1490-C, effective December 9, 2008, and all applicable Statewide Orders, to the additional units for the Haynesville Zone, Reservoir A, in the Alabama Bend Field; and
9. To consider and cover such other matters as the Commissioner of Conservation may deem appropriate and necessary under the circumstances.

The Cotton Valley Zone, Reservoir A, in the Alabama Bend Field, Bienville Parish, Louisiana, was defined in Office of Conservation Order No. 1490, effective September 28, 2005, and is to be redefined INSO FAR AND ONLY INSO FAR as CV RA SUE and CV RA SUI are concerned, as provided herein.

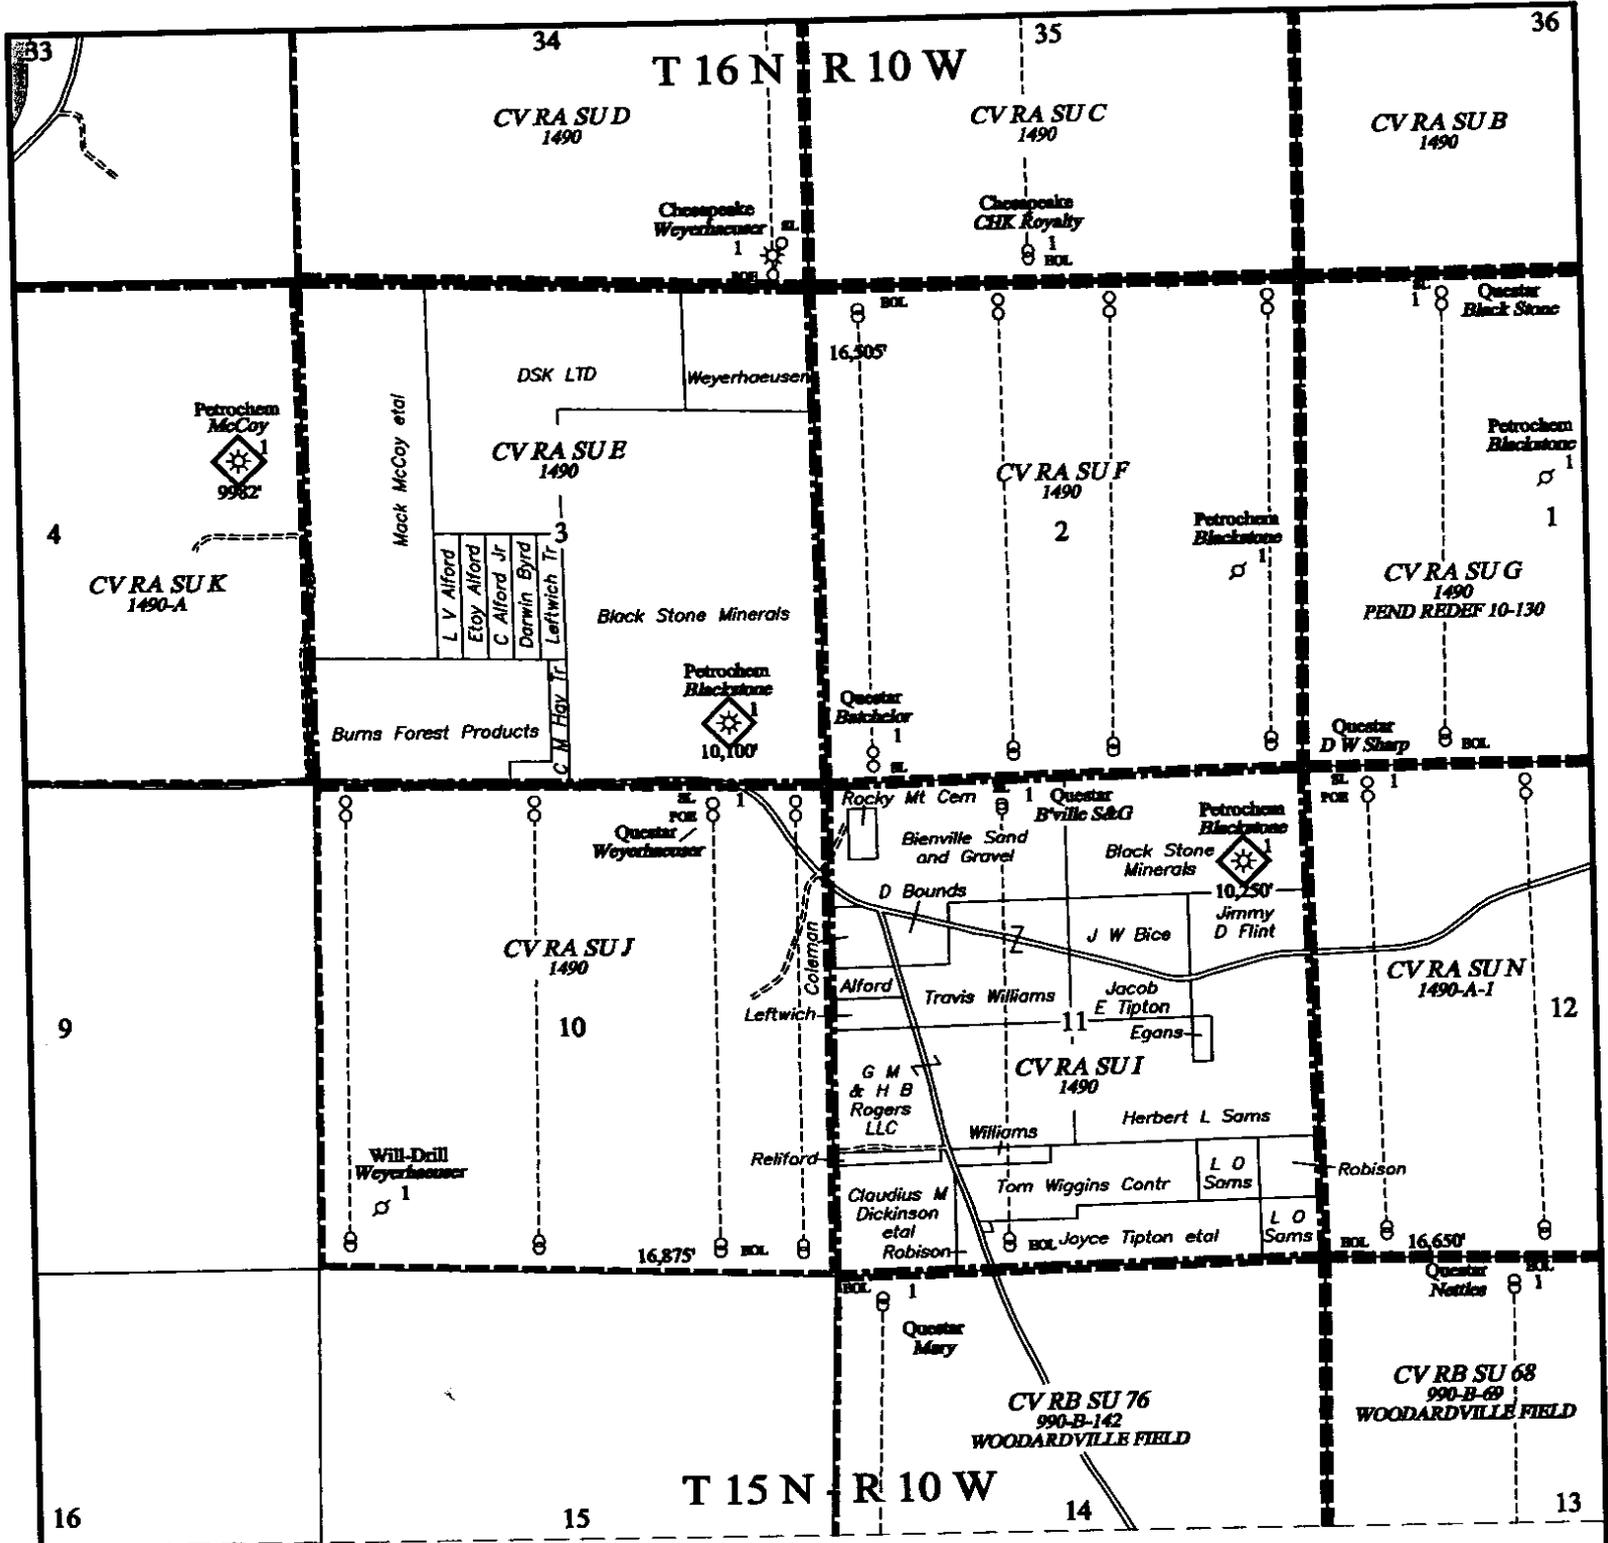

The Haynesville Zone, Reservoir A, in the Alabama Bend Field, Bienville and Red River Parishes, Louisiana, was defined in Office of Conservation Order No. 1490-C, effective December 9, 2008, and is to be redefined INSO FAR AND ONLY INSO FAR as HA RA SUO and HA RA SUP are concerned, as provided herein.

This application notice letter dated April 15, 2010, was circulated in connection with this matter. There was no request received for a conference; accordingly, no conference will be held.

The list which is attached to the copy of this letter being mailed to the Office of Conservation includes the names of all Interested Owners, Represented Parties and Interested Parties known to Applicant after a diligent search. A copy of this application, with plat attached, is being sent to each party on the list. Pursuant to Office of Conservation regulations, the list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation; however, the list of parties will be provided to any person requesting a copy of it. Enclosed with the copy of this application being sent to the Commissioner is a check for the application fee.

Yours very truly,

COOK, YANCEY, KING & GALLOWAY
