Dear Commissioner Welsh:

Application is hereby made on behalf of **Maritech Resources, Inc.**, for the calling of a public hearing, after thirty (30) days legal notice, to consider evidence relative to the issuance of Orders pertaining to the following matters related to the **D30-39 Zone, Reservoir A**, in the **Timbalier Bay Field**, Lafourche Parish, Louisiana, to-wit:

1. To establish rules and regulations and create a single drilling and production unit for the exploration for and production of gas and condensate from the D30-39 Zone, Reservoir A, such unit to be designated D30-39 RA SUA;
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed units, with each tract sharing in unit production on a surface acreage basis of participation;
3. To designate Maritech Resources, Inc. as operator of, and its SL 1772 No. 142 Well as the unit well, for the proposed unit;

4. To provide that any future wells drilled to the D30-39 Zone, Reservoir A, within or outside of the proposed unit, should be located in accordance with the spacing provisions of Statewide Order 29-E;
5. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoir, by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir changes and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation; and
6. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The D30-39 Zone, Reservoir A, in the Timbalier Bay Field, is hereby defined as being that gas and condensate bearing zone encountered between the depths of 14,760 feet and 17,385 feet (electrical log measurements) in the Pioneer (Gulf Oil Co.) - La. State Lease 1772 No. 94 Well, located in Township 23 South, Range 21 East, Lafourche Parish, Louisiana.

The pre-application conference tentatively scheduled for August 27, 2010, **WILL NOT BE HELD**, as it was not requested within the delays provided for by the Rules of Procedure; therefore, no opposition to this Application at the hearing is anticipated.
