RE: Annual Mandatory Raters Meeting

MANDATORY RATERS MEETING: Please see the agenda and plan to attend on February 15, 2006. CEU's will be offered. Remember that you must attend the meeting in order to maintain your certification as an active home energy rater or your status as a rater who is currently non active. Any certified or non active rater who does not attend the meeting will be removed from our contact list of home energy raters. Please RSVP to howardh@dnr.state.la.us
