

## **SPECIAL NOTICE**

On Tuesday, December 8, 2009, the Office of Mineral Resources on behalf of the State Mineral and Energy Board advertised in "The Notice of Publication", for receipt of sealed bids on or before **12:00 noon on Tuesday, January 12, 2010** for State Leases to be awarded upon **Tract Nos. 41258 through 41310, inclusive**, at its **January 13, 2010** Lease Sale. Within the said advertisement the plat for **Tract 41287** does not clearly identify the 2324 acres advertised. By virtue of this public notice the attached plat for **Tract No. 41287, Plaquemines Parish** is hereby substituted to identify more clearly the 2324 acres advertised. The revised plat is to distinguish the claimable waterbottoms from the waterbottoms affected by the Freeze Statute area.
