

**TRACT 41374 - St. Charles Parish, Louisiana**

All lands now or formerly constituting the beds and bottoms of water bodies of whatever description and nature owned by the State of Louisiana and located within the geographical boundaries of the (WMA) and not presently under mineral lease by the State of Louisiana as of April 14, 2010, the area being set forth as follows: Beginning at a point within Timken Wildlife Management Area having Coordinates of X = 2,354,850.00 and Y = 417,700.00; thence East 7,450.00 feet to a point having Coordinates of X = 2,362,300.00 and Y = 417,700.00; thence South approximately 2,147 feet to a point on the boundary of said Timken Wildlife Management Area having a Coordinate of X = 2,362,300.00; thence Southwesterly along the meanders of the boundary of said Timken Wildlife Management Area to a point of intersection with a North-South line having a Coordinate of X = 2,354,850.00; thence North approximately 4,595 feet along said line to the point of beginning, **LESS AND EXCEPT** that portion, if any, of the above described tract which may lie outside the boundary of Timken Wildlife Management Area, the above described tract containing approximately **31 acres**, all as more particularly outlined on a plat on file in the Office of Mineral Resources, Department of Natural Resources. All bearings, distances and coordinates are based on Louisiana Coordinate System of 1927, (North or South Zone).

NOTE: The above description of the Tract nominated for lease has been provided and corrected, where required, exclusively by the nomination party. Any mineral lease selected from this Tract and awarded by the Louisiana State Mineral Board shall be without warranty of any kind, either express, implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Should the mineral lease awarded by the Louisiana State Mineral Board be subsequently modified, cancelled or abrogated due to the existence of conflicting leases, operating agreements, private claims or other future obligations or conditions which may affect all or any portion of the leased Tract, it shall not relieve the Lessee of the obligation to pay any bonus due thereon to the Louisiana State Mineral Board, nor shall the Louisiana State Mineral Board be obligated to refund any consideration paid by the Lessor prior to such modification, cancellation, or abrogation, including, but not limited to, bonuses, rentals and royalties.

NOTE: No activities will be allowed without written authorization of the Louisiana Department of Wildlife and Fisheries.

NOTE: Proposed projects will be evaluated on a case by case basis. Modifications to proposed project features including but not limited to access routes, spoil placement, well sites, flowlines and appurtenant structures may be required by the Department of Wildlife and Fisheries. In the event that dredging is required to access proposed well locations the Department shall have discretion to require the use of a hydraulic dredge.

NOTE: Compliance with the Timken WMA regulations will be required unless otherwise specified by the Department of Wildlife and Fisheries.

NOTE: Compensatory mitigation will be required to offset unavoidable wetland impacts.

NOTE: Removal of all structures, facilities and equipment will be required within 120 days of abandonment unless otherwise agreed to in writing by the Department of Wildlife and Fisheries.

NOTE: No activities will be allowed during the hunting season unless authorized by the Department.

NOTE: Prior to submitting applications for wetland permits to Federal and State permitting agencies, the leaseholder shall coordinate project details with the Department of Wildlife and Fisheries. Contact person for the Department will be Mike Windham at (504) 284-5268.

NOTE: Additionally, the Department will require a minimum bonus of \$350.00 per acre and a minimum royalty of 25%.

NOTE: The State of Louisiana does hereby reserve, and this lease shall be subject to, the imprescriptible right of surface use in the nature of a servitude in favor of the Department of Natural Resources, including its Offices and Commissions, for the sole purpose of implementing, constructing, servicing and maintaining approved coastal zone management and/or restoration projects. Utilization of any and all rights derived under this lease by the mineral lessee, its agents, successors or assigns, shall not interfere with nor hinder the reasonable surface use by the Department of Natural Resources, its Offices or Commissions, as herein above reserved.
