

**TRACT 41588 - Caddo Parish, Louisiana**

A certain Tract of land, excluding the beds and bottoms of all navigable waters, belonging to and not presently under mineral lease from City Of Shreveport on August 11, 2010, being more fully described as follows: 1a) All dedicated highways, roads, streets, alleys, drainage and rights of way located in Section 23, Township 17 North, Range 15 West, containing 1.5911 acres, more or less; 1b) That certain tract of land belonging to the City of Shreveport within Section 23, Township 17 North, Range 15 West, Caddo Parish, Louisiana, with GEO identification number 171523 000 0011 00 containing 15.000 acres, more or less. 1c) That certain tract of land belonging to the City of Shreveport within Section 23, Township 17 North, Range 15 West, Caddo Parish, Louisiana, with GEO identification number 171523 000 0039 00 containing 9.000 acres, more or less. 1d) That certain tract of land belonging to the City of Shreveport within Section 23, Township 17 North, Range 15 West, Caddo Parish, Louisiana, with GEO identification number 171523 024 0005 00 containing 0.3679 acres, more or less. 1.1) All tax adjudicated properties in Section 23, Township 17 North, Range 15 West, containing .396 acres, more or less; (This lease includes only land claimed and owned by the City of Shreveport and specifically excludes any land which the state may claim or own and to which the mineral rights are vested in the state), Total for Section 23, Township 17 North, Range 15 West, containing **26.3550 acres**, all as more particularly outlined on a plat on file in the Office of Mineral Resources, Department of Natural Resources. The description is based on information provided by the State Agency regarding location and ownership of surface and mineral rights. All bearings, distances and coordinates, if applicable, are based on Louisiana Coordinate System of 1927, (North or South Zone).

NOTE: The above description of the Tract nominated for lease has been provided and corrected, where required, exclusively by the nomination party. Any mineral lease selected from this Tract and awarded by the Louisiana State Mineral Board shall be without warranty of any kind, either express, implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Should the mineral lease awarded by the Louisiana State Mineral Board be subsequently modified, cancelled or abrogated due to the existence of conflicting leases, operating agreements, private claims or other future obligations or conditions which may affect all or any portion of the leased Tract, it shall not relieve the Lessee of the obligation to pay any bonus due thereon to the Louisiana State Mineral Board, nor shall the Louisiana State Mineral Board be obligated to refund any consideration paid by the Lessor prior to such modification, cancellation, or abrogation, including, but not limited to, bonuses, rentals and royalties.

NOTE: No use of the surface of the leased premises may be used by Lessee, its successors or assigns without the prior written consent of Lessor which may be withheld for any or no reason. Except as otherwise expressly authorized in writing by Lessor, Lessee, its successors or assigns, may

produce oil, gas and other minerals from the leased premises only by drilling from a surface location on other lands.

NOTE: Notwithstanding anything to the contrary herein contained, at the end of the primary term or any extension thereof by operations, if the Commissioner of Conservation of the State of Louisiana establishes a drilling unit which includes a part of the land herein leased, the production of oil, gas and other minerals from such unit shall maintain this lease in full force and effect only as to such portions of the leased land embraced in said pooled unit, and this lease shall expire as to that part of the land herein leased not included in such unit, and Lessee, its successors and assigns agrees to relinquish by formal recordable instrument (in a form acceptable to Lessor) any portion of the leased land not included in a unit created by the Commission of Conservation while this lease is in effect.

NOTE: Upon the expiration of the primary term hereof or any extension thereof by operations, this lease shall automatically terminate and be of no further force or effect except as to all that part of the leased premises then included within the geographical boundaries of a producing unit duly established by governmental agency or authority having jurisdiction, from the surface of the earth to a depth of 100 feet below the deepest depth from which any well commenced during the primary term hereof on the leased premises or on lands pooled therewith is completed and from which there is production in paying quantities, such depth determination to be made on a unit by unit basis. Lessee and its successors and assigns agree to relinquish by formal recordable instrument (in a form acceptable to Lessor) all such depths as to which this lease is terminated. In the absence of units so established, this lease shall terminate except as to 40 acres around each producing oil well and 160 acres around each producing or shut-in gas well located on the leased premises, in as near the form of a square as is practicable, from the surface of the earth down to a depth of 100 feet below the deepest depth from which said well or wells are completed and from which there is production in paying quantities, such depth determination to be made on a well by well basis.

NOTE: The City of Shreveport will require a minimum bonus of \$5,000.00 per acre and a minimum royalty of not less than 1/4th or 25%.
