Date: Saturday, January 12th, 2008

Time: 8:00am

Age: 17 and up

Join the BTNEP Volunteer Team and the Jefferson Parish Department of Environmental Affairs as we recycle discarded Christmas trees into wetland protection! Volunteers and shallow draft boats are needed to place recycled Christmas trees into pre-constructed shoreline fences, which form a wave break to protect the fragile marsh behind it. Bring your family and your flat boat to spend a day helping to preserve our estuary.

To register, please complete the form below and fax it to the BTNEP program office at 985.447.0870; or email the form to mel@btnep.org.
