

## **PUBLIC NOTICE**

Department of Energy and Natural Resources  
Office of Conservation  
Injection & Mining Division

River Parish Sequestration, LLC  
Class V Stratigraphic Test Well  
Ascension Parish

Docket No. IMD 2025-001

Pursuant to provisions of the laws of the State of Louisiana and particularly Title 30 of the Louisiana Revised Statutes of 1950 as amended, and provisions of Statewide Order No. 29-N-1, notice is hereby given that the Injection & Mining Division has prepared a Draft Permit for the application referenced below and that the Commissioner of Conservation will conduct a public hearing to solicit comments on the Draft Permit. The hearing will be held in the Ascension Parish Clerk-Court, 300 Houmas St. Donaldsonville, LA 70346 at 6:00 pm on January 30, 2025.

At such hearing, the commissioner or his designated representative will give any interested person the opportunity to present testimony, facts, or oral or written comments relative to the Draft Permit prepared in response to an application by:

River Parish Sequestration, LLC  
1333 West Loop South, Suite 830  
Houston, TX 77027

River Parish Sequestration, LLC has applied to the Office of Conservation, Injection and Mining Division for a permit to drill and complete a Class V Subsurface Stratigraphic Test Well in Section 16, Township 11 South, Range 14 East, of Ascension Parish to acquire geotechnical information. The proposed well will be identified as RPN-1-INJ No. 001 and may potentially be converted to a Class VI injection well. The well will be drilled to a depth of approximately 10,385 feet below ground level (BGL) with geotechnical cores, fluid samples, pressure measurements, and other applicable information collected. The base of the lowermost underground source of drinking water (USDW) at this location occurs at an approximate depth of 590 feet BGL.

A copy of the Draft Permit, fact sheet, or other information concerning the application may be obtained by writing to Rebecca Edwards, Office of Conservation, Injection & Mining Division, 617 North 3<sup>rd</sup> Street, Ninth Floor, Baton Rouge, LA 70802 or by calling (225) 342-8639. The Draft Permit and fact sheet are also available for inspection between 8:00 A.M. and 4:30 P.M., Monday through Friday in the Injection & Mining Division Office, Rm. 817, of the LaSalle Building, 617 North 3<sup>rd</sup> Street, Baton Rouge, LA 70802. In addition, the application package is available on the Louisiana Department of Energy and Natural Resources website, Injection & Mining and Class VI Carbon Sequestration webpages.

In accordance with Act 393 of the 2023 Louisiana Regular Session, accommodations will be provided upon request to people with disabilities in order to access this public hearing. To request an accommodation for this hearing, please contact Clarissa Adams at 225-342-6662 or [DNR-HumanResources@la.gov](mailto:DNR-HumanResources@la.gov).

Interested parties may request a public hearing or submit written comments on the application. Written comments concerning the application must be received by the Office of Conservation no later than 4:30 P.M., January 31, 2025. Submit all comments to: Rebecca Edwards, Office of Conservation, Injection & Mining Division, 617 North 3<sup>rd</sup> Street, Ninth Floor, Baton Rouge, LA 70802. Comments may also be e-mailed to [info@la.gov](mailto:info@la.gov). Please reference: River Parish Class V, Application Number 45407, Docket No. IMD 2025-001.

All persons having interest in the aforesaid shall take notice thereof.

By order of:

Steven Giambrone  
Office of Conservation
