

August 26, 2022

To: Oilfield Site Restoration and Other Qualified Contractors

From: Rhonda Robertson, OSR Accountant

Re: **NOTICE TO CONTRACTORS**

Proposal Numbers 431-PA23-001 and 431-PA23-002

Lafayette, Monroe, and Shreveport Districts

The Louisiana Department of Natural Resources (LDNR) has issued a Request for Qualifications (RFQ) seeking Proposals (Statements of Qualifications) from qualified Project Managers to establish contracts for Part A: Pre-Site Restoration Services and Part B: Site Restoration Services (Construction Management at Risk) for the State of Louisiana. These two packages include; the plugging, abandonment, and remediation of orphaned wells and associated sites and facilities.

- Package 431-PA23-001 consists of sites found in LDNR Monroe District, with an option for federal well sites located in the Monroe and Lafayette Districts.
- Package 431-PA23-002 consists of sites found in LDNR Shreveport District, with an option for federal well sites located in the Lafayette District.

A one-time **Mandatory Meeting** will be held on **Wednesday, September 7, 2022 at 12:00 PM** in the LaBelle Room in the LaSalle Building in Baton Rouge (address below). Only those contractors attending the mandatory meeting will be allowed to submit bids.

**Proposals are due September 26, 2022 by 12:00 p.m.** and should be submitted to the Oilfield Site Restoration Program, Office of Conservation, Louisiana Department of Natural Resources, c/o Roby Fulkerson or Casandra Parker consistent with the requirements set forth in the RFQ, which may be accessed online at <http://www.dnr.louisiana.gov/index.cfm/page/1622> or by writing to Katie Vance with the Louisiana Department of Natural Resources, Office of Management and Finance, 617 North 3rd Street, 12th Floor, Baton Rouge, LA 70802 or by e-mail at [katie.vance2@la.gov](mailto:katie.vance2@la.gov).

Mandatory Meeting Address:

LaSalle Building

617 North Third Street, Baton Rouge, LA 70802
