Bowling Green, KY 42101

\*\*\*\* COMPLIANCE NOTICE \*\*\*\*

Dear Mr. Brandau:

The Injection and Mining Division "IMD" requests that Boardwalk Louisiana Midstream, LLC "BLM" provide the following information regarding the BLM Sulphur Mines cavern storage facility:

1. A plan for product movement using brine, if deemed necessary by the Commissioner of Conservation;
2. A comprehensive delineation of all existing infrastructure and utilities at the BLM facility (including but not limited to wells, pipelines, water lines, buildings, flares, power lines, tanks, drainage, etc.); and
3. A plan to monitor all tubulars in real-time;
4. Participation in dome-wide structural mapping of the top of salt; and
5. Participation in dome-wide InSAR subsidence monitoring.

By no later than **December 1, 2023**, BLM shall furnish this Office with the aforementioned requirements. Failure to comply with this requirement could result in the immediate suspension of the subject well's authority to operate.

Should you have any questions concerning this matter, please contact Injection and Mining Division at (225) 342-5515 between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday.

Yours very truly,

Monique M. Edwards  
Commissioner of Conservation

Stephen H. Lee, Director  
Injection & Mining Division
