Sulphur Dome, Calcasieu Parish, LA

Dear Mr. Lee,

Liberty Gas Storage (Liberty) has attached photographs of it's two plugged and abandoned wells, Liberty Gas Storage #1 (Serial 163676) Liberty Gas Storage #2/2A (Serial 163678) All utilities and steel pipelines associated with Liberty Gas has either been removed or abandoned in place as required. Also attached is a map that details the original pipes that were installed but never put into service.

Liberty Gas Storage has in the past and continues to work with the other operators to provide IMD with jointly prepared submittals of the Top of Salt Map and with jointly prepared submittals of InSar subsidence monitoring reports. All documents are prepared by Lonquist on Liberty Gas's behalf.

If you have any questions, Please do not hesitate to contact me at (337) 527 2260

Sincerely,

A handwritten signature in black ink that reads 'Stoney Sportsman'.
