RE: **SECOND SUPPLEMENT TO  
COMPLIANCE ORDER NO. IMD 2022-027  
Proposed Monitor Well Installation Plan  
Sulphur Mines Dome  
Calcasieu Parish, LA**

Dear Mr. Bradley:

Westlake US 2, LLC's revised monitor well installation plan, dated October 18, 2023, has been received and reviewed by this Office. Please be advised, in addition to the log runs proposed in the plan, a sonic porosity log will also be required on the deepest borehole in each proposed cluster of monitor wells. As detailed in the proposed plan, this Office shall be notified at a minimum of 24 hours prior to any logging operations. This Office has no objection to the referenced proposed monitor well installation plan, provided the additional requirements outlined above are met.

As such, Westlake US 2, LLC is hereby required to install all proposed monitoring wells by **DECEMBER 1, 2023**. Failure to comply with this Compliance Order will result in additional Civil Penalties of not more than thirty-two thousand, five hundred dollars (\$32,500.00) per day for each day of continuing violation and any other appropriate regulatory sanctions as provided by law.

If you have any questions concerning these matters, please contact Gavin Broussard at 225-342-7222.

Yours truly,

MONIQUE M. EDWARDS  
COMMISSIONER OF CONSERVATION
